Spring, Texas - April 15, 2025 -
Rivera Tennis Academy is all set to host the Texas Regional Event for the U14 Team USA Tennis Tryouts. This exciting event will take place on May 10th and 11th at the Forest Oaks Racquet Club, offering young tennis players a chance to showcase their skills and potentially step onto the national stage. For more information about the event and how to participate, please visit the official registration site at app.utrsports.net/events/285629. The tournament is open to players of all levels, providing a platform for many to shine. Being a UTR Verified event, participants will have their performances counted towards their UTR rating, which is widely recognized in the tennis world.

This regional event is specifically for players born in 2011 or later, focusing on the next generation of tennis stars. It's the first phase in a two-step journey that could put these young talents on an international platform. Those who make it as winners, runners-up, or semifinalists, if in a group of 16 or more, will move on to the National Event in Washington, DC, happening from June 9th to June 15th. Success there could lead to an all-expenses-paid trip to compete in the prominent Open Stade Français in Paris. This not only offers a chance to compete on an international level but also allows young athletes to experience the vibrant culture of Paris.

Alfredo Rivera, who leads the Rivera Tennis Academy and is a former ATP and Davis Cup player from Chile, is thrilled about the academy's role in developing young talent. Rivera expressed, "This tournament is more than a competition?it's a launching pad for young players striving for greatness. We are thrilled to provide these athletes with a chance to shine and potentially represent Team USA on a global stage."
