Lost Coffee Celebrates the First and Second Anniversaries of Highlands Ranch Locations

April 14, 2025

April 14, 2025 -

Lost Coffee is proud to celebrate the anniversaries of its two Highlands Ranch locations this May, marking one year at Backcountry and two years at the Springer location. As the company reflects on these milestones, it also honors the community that has embraced both cafés and helped shape their identity. Known for high-quality, ethically sourced coffee and a strong commitment to connection, Lost Coffee continues to grow while staying grounded in its mission to do good?from farm to cup.

The Springer café, located at 50 Springer Drive, opened its doors on May 1, 2023, and quickly became a neighborhood staple for locals seeking thoughtfully crafted coffee in a welcoming environment. The location also serves as the brand?s primary roasting facility, making it a central part of the company?s operations. One year later, on May 5, 2024, Lost Coffee expanded its presence in Highlands Ranch with the opening of the Backcountry location at 10420 Backcountry Drive. Together, these two cafés have helped deepen Lost Coffee?s connection to the community and extend its mission across Colorado.

Each café offers more than just coffee?they serve as daily gathering spots where guests can connect, work, relax, or catch up with friends. From handcrafted espresso drinks and seasonal specials to signature blends

and pastries, the menu reflects the same attention to quality and sourcing that defines the entire Lost Coffee brand.

?These anniversaries are about more than marking time?they?re about celebrating the people who show up each day, from our baristas to the guests who walk through our doors,? said a representative from Lost Coffee. ?The support we?ve felt in Highlands Ranch has been incredible, and we?re proud to be part of these neighborhoods.?

Lost Coffee?s success in Highlands Ranch reflects its ongoing dedication to ethical sourcing and community impact. The company works with producers who are paid fairly and focuses on partnerships that support experienced farmers, washing station workers, and environmentally responsible growing methods. That care is evident in every cup, whether served at Springer, Backcountry, or any other Lost Coffee location.

To mark the occasion, Lost Coffee is taking time this May to reflect on the relationships built over the past one and two years and to thank the community for its continued support. Guests are encouraged to visit either café during the month to enjoy their favorite drinks, connect with the friendly teams behind the counter, and experience the welcoming atmosphere that has made both locations beloved local spots.

The anniversaries also serve as a moment of recognition for the team members who make Lost Coffee?s values visible every day. From early-morning openers to skilled baristas and roasting staff, every individual plays a role in shaping the customer experience. Their dedication to consistency, care, and friendliness has created spaces that people return to not just for the coffee?but for the feeling of community.

Lost Coffee has also become a familiar stop for those new to Highlands Ranch, offering a reliable, quality-driven place to settle in, whether you're new to the area or visiting from out of town. Both cafés are designed to feel approachable and personal, with design elements and service that invite people to linger, relax, and recharge.

The Springer location is located at 50 Springer Dr, Highlands Ranch, CO 80129 and can be reached at (303) 578-9450. The Backcountry café is located at 10420 Backcountry Dr, Highlands Ranch, CO 80126 and can be reached at (720) 295-2127.

Whether it?s one's first visit or the hundredth, both the Springer and Backcountry cafés invite guests to celebrate a growing legacy of connection, quality, and care.
