Marbella Spain: FAB Timeshare Resales, the number one Marriott Vacation Club Timeshare reseller in Europe, is pleased to report that Marriott Marbella Beach Resort recently announced they have begun renovating and modernising their development. The resort, located in one of the most prestigious locations of the Costa del Sol, Spain is one of the most popular timeshare resorts in Europe and welcomes visitors from all over the world.

The upgrade of the existing apartments, which includes new, modern furniture, lighting and soft furnishings, began in November 2015 and is due to be finished in March 2016 in time for the upcoming summer season. Some apartments have had the work completed already and receiving a lot of positive feedback from owners and guests at these units. Not only has the furniture been refreshed but the interiors have been repainted in a lighter shades to create an even more and warm, bright and welcoming atmosphere that is in harmony with the resort location and feel. The company says this is great news for present owners anybody thinking of buying a timeshare here.

The resort at Marbella was the first of its kind in Europe offered by Marriott Vacation Club and has earned a number of excellence awards in the years since it first opened. This new renovation project can only add to it's glowing reputation as one of the premier timeshare resorts in not only Europe but also the world.

Fab Timeshare offers a number of resales at the resort in every season and standard. The benefits offered with resales are the same as those acquired with weeks purchased directly from the Vacation Club of Marriott.

The reputation of Fab Timeshare in the European resale industry for has been growing for a number of years and the company has received many awards for outstanding sales performance, as well as kudos from customers praising the customer service standards of the company.
