

Rooter Hero Plumbing Expands Its Commercial Plumbing Services in The South Bay Area

February 10, 2016

February 10, 2016 - PRESSADVANTAGE -

Carson, CA-based Rooter Hero Plumbing of the South Bay is proud to announce that they are now servicing a wider range of industries. Their list of commercial clients now includes hospitality, retail, property management and landlords, food service, medical centers, and more. The business prides itself on its professionalism, specialized skills and knowledge and always using the most up to date technology, which is what has made them one of the most respected businesses of its kind in the area.

"We believe in providing the best that we can," says Jessica Perrault, spokesperson for Rooter Hero Plumbing. "This means that all our staff are fully trained in all the technology that we use. We understand that certain commercial buildings, in particular, have specific plumbing needs and we are proud to say that our plumbers are to address all commercial systems including industrial and institutional.?"

One of the specific areas that the commercial plumbing company in the South Bay is now focusing on is tenant improvement. There have been a number of situations of tenant displacements in the community due to flooding situations and sanitation concerns. Rooter Hero Plumbing aims to help landlords and property managers avoid these situations that can be devastating to all involved. To achieve this, they offer not only

around-the-clock emergency call out services but also a variety of maintenance packages. These are designed to help those serious problems.

The work completed by Rooter Hero Plumbing have been positively reviewed by many clients, including Irwin Connely of Bellflower. "Awesome service, excellent communication, and quality work are three phrases that come to mind when I think of Rooter Hero Plumbing. I cannot say enough about this company."
