Soulmutts Toronto: Setting the Gold Standard for Dog Care in the Heart of the City

May 13, 2025

TORONTO, ON - May 13, 2025 -
Toronto, ON ? Since its founding in 2008, Soulmutts Toronto has grown from a passion project into one of the city's most trusted names in professional dog care. Located in the vibrant Leslieville neighbourhood, Soulmutts offers a comprehensive suite of services including daycare, boarding, grooming, and dog walking. With over 15 years of consistent operation and hundreds of five-star reviews, the brand has become synonymous with reliability, compassion, and top-tier care.

What sets Soulmutts apart isn?t just its experience?it's the facility itself. The company boasts 4,500 square feet of custom-designed indoor space, plus the largest outdoor dog play area in downtown Toronto, creating a safe and stimulating environment for dogs of all sizes. These spaces are equipped with professional-grade HEPA air filtration systems, dedicated feeding stalls, and flexible play zones tailored to dogs' temperaments and needs.

A representative for the company explains, ?Our goal has always been to build a place where dogs can be dogs?free to socialise, explore, and feel at home. Everything, from our indoor zones to our custom-built dog daycare and boarding facilities, was designed with that vision in mind.?

Soulmutts? team is comprised entirely of full-time, trained professionals known internally as ?Pack Leaders.? Unlike many competitors who rely on part-time or temporary staff, Soulmutts ensures consistency in care by hiring experienced team members who form lasting bonds with the dogs under their watch. These professionals handle everything from temperament assessments to group integration and are trained to provide individualised attention and support.

Dogs are introduced to the pack slowly and methodically, ensuring safety and compatibility. Small dogs have the option of socialising with the full pack or enjoying a private play space. Feeding is done individually to maintain routine and prevent stress during mealtime?further proof of Soulmutts? commitment to thoughtful

care.

Trusted dog daycare in downtown Toronto isn't just a catchy phrase?it's a promise Soulmutts backs up every day. The business operates 365 days a year, offering unmatched flexibility in drop-off and pick-up times, including weekends and holidays. Their fleet of custom-outfitted Mercedes Benz Sprinter vans is specifically built to ensure dogs are transported comfortably and safely, no matter the season.

?Our clients often tell us that we?re the only place in the city where they feel 100% confident leaving their dogs,? adds a company representative. ?That kind of trust doesn?t come easy. It?s something we earn every single day through consistency, care, and communication.?

Soulmutts? reputation speaks for itself. With over 400 verified reviews online and features in respected outlets, the company has cemented its place as a leader in Toronto?s pet care space. Their approval by the SPCA and membership in Pet Sitters International further affirms their credibility and commitment to best practices.

Whether a client is seeking reliable dog boarding services in Toronto, flexible daycare options, or a full grooming experience, Soulmutts delivers with professionalism and heart.

As demand for professional dog care in downtown Toronto continues to rise, Soulmutts remains focused on what matters most: creating a joyful, safe, and enriching environment for every dog they serve. Their unwavering commitment to excellence has earned them the trust of pet owners across the city?and set a new benchmark for dog care in urban communities.
