

New Prime Texas Ranch Land For Sale

February 01, 2016

February 01, 2016 - PRESSADVANTAGE -

A real estate development located in Bertram, TX, is launching a land sale on February 13, 2016. Those who attend and purchase their five pristine acres on that day will be eligible for huge savings. Further discounts are also available for larger plots, including the ten acre ranch estate.

Chad May from the Ranches at Canyon Creek says: "Come experience breathtaking, panoramic Hill Country views by day and vibrant Texas big sky star-gazing at night. Plus, you can sit in the shade of huge live oak trees, listen to the peaceful sound of the flowing creeks throughout the community, explore the abundance of outdoor recreation, and enjoy a prime location just a short drive from Houston. The Ranches at Canyon Creek features all the modern amenities you'd expect within an upscale Hill Country community, including a gated entrance, paved roads, electric, and so much more."

The area surrounding the said ranch estate development is known to provide a variety of recreational opportunities, as well as offer a diverse assortment of fine dining, family events, shopping, theater, museums, and more, to keep everyone entertained. Top off a day of hiking, horseback riding, or fishing, with a delicious meal, live music, or night at the theater. The Ranches at Canyon Creek is described as the perfect place to live, vacation, or even retire. More details are available through www.ranchesatcanyoncreek.com.

With bank and Texas Vet financing available, it has become easy and affordable to own a beautiful ranch estate homesite. People are encouraged to schedule their no-pressure, no-obligation personalized tour of the Ranches at Canyon Creek for Saturday, February 13th. This will give them the opportunity to discover and learn more about this newest, large acreage community, situated in one of the most spectacular areas of the Hill Country.

The company also has Highland Lakes land for sale at present. "The Highland Lakes of central Texas consist of six lakes along the Colorado River starting 85 miles northwest of Austin and ending in Austin," adds Chad May. "All of the Highland Lakes are located in some of the prettiest parts of the Texas Hill Country and are an easy drive from Austin."
