Knowledge Train Achieves Prestigious PeopleCert Gold Partner Status

April 30, 2025

LONDON, UK - April 30, 2025 - PRESSADVANTAGE -

Knowledge Train, a leading provider of professional training and certification services based in London, England, has proudly announced its new status as a PeopleCert Gold Partner. This significant recognition underscores the company's commitment to delivering high-quality training solutions and exceptional customer service to clients globally. Being named a Gold Partner places Knowledge Train among a select group of organisations acknowledged for their excellence in training delivery. With only 13 Gold Partners and 8 Platinum Partners worldwide, this achievement highlights Knowledge Train's dedication to maintaining high standards in its offerings. The status signifies a mark of distinction and positions Knowledge Train among the top tier of PeopleCert's global partners, enhancing its reputation in the competitive field of professional education.

Jay Gao, Operations Manager at Knowledge Train, expressed pride in this accomplishment, stating, "Achieving Gold Partner status with PeopleCert is a testament to our unwavering dedication to quality and the continuous enhancement of our training programmes. Our team has worked tirelessly to meet the rigorous standards set by PeopleCert, ensuring our clients receive education of the highest calibre." This partnership with PeopleCert is a strategic alliance that aligns with Knowledge Train's mission to provide world-class

training and certification services. The collaboration reflects a shared commitment to fostering an environment of continuous learning and professional growth, which is increasingly important in today's rapidly evolving job market.

PeopleCert is a global leader in the certification industry, known for its stringent standards and commitment to excellence. The Gold Partner status reflects Knowledge Train's success in aligning with these high standards and its capability to offer exceptional training solutions that cater to professionals across various industries. This strategic partnership allows Knowledge Train to expand its range of training programmes and continue addressing the evolving needs of its students. The development enhances its offerings and delivers outstanding value to clients, ensuring that professionals are well-equipped with the skills needed to excel in their respective fields.

"This partnership with PeopleCert is not just a recognition but a strategic alliance that supports our mission to deliver superior training and certification services," added Jay Gao. "We are excited about the future prospects this status opens up for us and how it will benefit our clients." For more information about Knowledge Train's training programmes and services, interested parties can visit: Instructor-led training courses, Self-paced online courses, and the main website. The company remains committed to delivering innovative solutions tailored to meet diverse client needs, ultimately driving organisational success and fostering a culture of continuous improvement.

PeopleCert, as a leading entity in the certification sector, offers a diverse range of qualifications that facilitate the development of professionals and organisations worldwide. Their partnership with Knowledge Train underscores a shared commitment to providing top-tier training and certification services. This collaboration is expected to open new avenues for growth and innovation, allowing Knowledge Train to explore new opportunities and further solidify its position as a leader in professional education. The partnership is not only a significant milestone for Knowledge Train but also a testament to the trust and confidence it has earned from industry leaders and clients alike.

For further media enquiries, please contact Jay Gao, Operations Manager at Knowledge Train. This milestone reflects Knowledge Train's enduring commitment to excellence and its role in shaping the future of professional development. By achieving Gold Partner status, Knowledge Train reaffirms its position as a trusted provider of professional education, ready to meet the challenges of a dynamic job market.
