May 06, 2025

CINCINNATI, OH - May 06, 2025 -

Cincinnati, OH?The Mandell Brown Plastic Surgery Center congratulates Dr. Mark Mandell-Brown on once again receiving recognition from Cincinnati CityBeat in three categories for the second year in a row: #1 Best Plastic Surgery, #1 Best MediSpa, and #1 Best Skin Care Service. These prestigious wins highlight the center?s longstanding commitment to delivering exceptional patient care, cutting-edge treatments, and natural-looking results?whether through surgical procedures or medspa treatments.

?We are deeply humbled and grateful to receive these CityBeat awards for a second year in a row,? said Dr. Mark Mandell-Brown, founder and director of the Mandell Brown Plastic Surgery Center. ?Our team strives to remain on the cutting edge of plastic surgery and medispa services. Consistency in quality care?evidenced by patients and community members voting for us?is what truly drives our practice forward.?

With the announcement of the CityBeat ?Best Plastic Surgery? in Cincinnati award, Dr. Mandell-Brown celebrates a trifecta of top plastic surgery accolades in the Cincinnati region:

Cincinnati CityBeat?s Best Plastic Surgery - Cincinnati Enquirer?s Community Choice Awards Best

Cosmetic/Plastic Surgeon - Cincinnati Magazine?s ?Top Doc? in Plastic Surgery.

This triple recognition solidifies Dr. Mandell-Brown?s reputation among the most decorated and trusted plastic surgeons in the region.

A triple board-certified surgeon in facial plastic surgery, cosmetic surgery, and head and neck surgery, Dr. Mandell-Brown has earned national recognition for his ability to deliver elegant, natural-looking results. His surgical expertise spans procedures for the face, breast, and body, including popular choices such as facelift, breast augmentation, tummy tuck, rhinoplasty, and mommy makeover.

Patients of Dr. Mandell-Brown have their surgery performed in his fully-accredited and recently remodeled surgical center, located onsite. The surgical suite was designed to offer patients privacy and convenience beyond that of a hospital, with the same assurance of the highest standards in safety and care that they would receive in a hospital setting.

?Our standard of care is the standard we would want for our families,? explained Dr. Mandell-Brown. ?Receiving these awards from our community validates that we are achieving that mission.?

In addition to serving patients seeking surgical enhancements, Dr. Mandell-Brown and his team of expertly trained medical aestheticians and providers offer a full menu of non-surgical ?medspa? treatments, including injectables such as Botox® and dermal filler, laser therapies, and skin rejuvenation services.

The practice?s medspa was voted #1 by CityBeat readers in Cincinnati for both Best MediSpa and Best Skin Care Service, and it continues to grow in popularity among patients seeking preventative and maintenance skincare treatments in a relaxed, physician-supervised environment.

?Alongside plastic surgery, we are committed to offering a safe, trusted medspa where patients can rest assured their treatment is overseen by a physician, will achieve excellent results, and is performed with the highest level of sterility and care,? Dr. Mandell-Brown added.

Whether it?s a first-time Botox® treatment, a series of customized facials, or an advanced laser resurfacing session, he says the goal remains the same: to help each patient look and feel like the best version of themselves.

?Our philosophy has always been to emphasize a Natural Look? with both plastic surgery and the medspa,? said Dr. Mandell-Brown. ?This extends to all of the treatments that we offer here. We want our patients to feel confident and comfortable in their own skin.?

Patients frequently cite the practice?s compassionate care, excellent surgical outcomes, and attentive follow-up as reasons they return year after year and refer friends and family.
