ERIE, CO - May 22, 2025 -

Apex Money Lending Group is making strides in Colorado, emphasizing their commercial real estate lending services. They are offering financial solutions crafted for local businesses and investors. Unlike traditional lenders, Apex focuses on the value of the property rather than the borrower's credit score. This approach allows them to offer quick and confidential financing. It's a valuable option for those needing fast funds to buy, renovate, or develop property, with loans starting at $100,000 and interest rates from 12%. To learn more about their loan offerings, such as Asset-Based Loans, Bridge Loans, and much more, visit Apex Money Lending Group's website.

Apex Money Lending Group provides a wide range of loan types. These include Asset-Based Loans, Bridge Loans, Business Acquisition Loans, Cannabis Business Loans, Commercial Real Estate Loans, Construction Loans, Fix and Flip Loans, Industrial Property Loans, Investment Property Loans, and Multifamily Loans. They highlight the speed and flexibility of their approval process, which can be completed in just 10 business days.

"Apex Money Lending Group is committed to supporting the growth of local businesses and real estate investors by providing financial solutions that are both innovative and efficient," says Marcus Jeffery, a representative of the company. "Our approach allows us to offer financing options that are tailored to each client's specific needs, thereby enhancing their ability to succeed in the competitive real estate market."

The firm's commercial lending options are crafted for businesses aiming to acquire, refinance, or develop commercial properties. These loans are a great option for businesses eager to grow or diversify their portfolios without the lengthy delays and strict requirements that come with traditional bank loans.

Their lending method centers around the appraised value of the property instead of the borrower's credit history. This allows investors to secure funds quickly by leveraging their assets. Borrowers can get up to 65% of the property's value, which is an appealing choice for those needing funds without dealing with tight lending criteria.

Marcus Jeffery adds, "By focusing on property value and providing fast approvals, our clients can act quickly and capitalize on lucrative real estate opportunities. It's our goal to offer seamless support and help our clients meet their financial objectives."

A key feature of their loans is the Apex Money Lending Group Commercial Real Estate Loan in Colorado.
