

Pinnacle Removals Expands Fleet for Efficient Local Moves Across West Sussex

May 12, 2025

Looking at this address, I can see this is a UK address based on the postal code format "RH12 3S" which is a British postcode.

The city is HORSHAM, and since this is in the UK (England), there isn't a direct state equivalent like US states.

HORSHAM, UK - May 12, 2025 -
Pinnacle Removals and Storage is making a big move to improve its services in West Sussex. This strategic decision involves adding a new van to their fleet at the Horsham depot. The timing is just right, as they anticipate a busy summer with lots of people moving. This expansion underscores Pinnacle's dedication to offering dependable and professional moving services to residents in Horsham, Chichester, Crawley, and throughout West Sussex.

Sean Jacoby, Director of Pinnacle Removals, stresses why this step matters: "We've observed a rising demand for local moves in West Sussex, and by expanding our fleet, we're well-positioned to meet our customers' needs efficiently. We are committed to providing top-notch service, ensuring our clients' moving

experiences are as smooth and stress-free as possible."

Adding the new van is just one part of Pinnacle's larger plan to effectively meet the needs of more clients. They offer a range of services, including local removals, packing help, and safe storage options. The company customises its services to fit each client, whether they need to move from a small apartment or a large family home. This means clients get the attention they deserve. The new van helps Pinnacle Removals take on more customers while keeping their high standards, especially during the busy summer season.

Pinnacle Removals is also known for assisting with international moves, offering specialised services like customs clearance and document handling. Their Move Coordinators simplify the whole process, ensuring that everything is well-organised from start to finish. They even provide a fine art removal service, guaranteeing that valuable items are treated with the utmost care. More information about these services can be found at https://www.pinnacleremovals.co.uk/international-removals.

Beyond moving services, Pinnacle Removals offers secure storage for those who need a temporary spot for their belongings. Their facilities cater to various needs, giving clients peace of mind when they aren't moving directly into their new homes.

After 50 years in the business, Pinnacle Removals operates with exceptional reliability and efficiency. They are committed to customer satisfaction and advise residents planning a move to book early for the summer. Pinnacle Removals encourages potential clients to discover their offerings online on their website or to reach out for a consultation and quote.

By expanding their fleet, Pinnacle Removals shows their dedication to adapting resources and meeting customer needs. They are always looking to enhance their services, ensuring that moves, whether local or international, are as smooth as possible. With the summer months approaching, Pinnacle Removals is ready to help families and individuals with their moving needs in West Sussex and beyond.
