Adjustable Kettlebells and Barbell Weights Sets With Affordable Dumbbells Launched by Strongway Gym Supplies for Fitness Seekers in UK

May 09, 2025

Coventry, UK - May 09, 2025 -
Strongway Gym Supplies, a trusted UK-based fitness equipment provider, has launched a new line of versatile training gear designed for individuals looking to build strength, improve endurance, and train from the comfort of their own home. The latest additions include adjustable kettlebells, multifunctional barbell weight sets, and affordable dumbbells, all crafted with practicality and performance in mind.

With demand for adaptable home fitness equipment continuing to rise, Strongway?s newest products aim to meet the needs of those who want flexibility without compromising quality. The multifunctional 6-in-1 set stands out as a key offering, allowing users to switch between dumbbells, a barbell, a kettlebell, and even push-up stands ? all from a single, compact setup. This all-in-one solution saves space and allows for varied, full-body workouts without the need for a large home gym.

Strongway?s approach to design has always prioritised real-world functionality. Each item in the new range has been carefully developed to ensure durability, comfort, and ease of use. The 6-in-1 set, for example, includes multiple weight combinations to suit users at different levels of their fitness journey ? whether they are just starting out or following a progressive strength programme. This flexibility, combined with the ergonomic handles and secure locking mechanisms, makes the equipment both user-friendly and safe.

The adjustable dumbbell-barbell-kettlebell set is already generating interest for its space-saving appeal and multi-use functionality, especially among those living in flats or with limited room for bulky gym equipment. More details can be found here:
https://strongway.co.uk/collections/strongway-dumbbells/products/strongway-adjustable-6-in-1-dumbbell-barbell-kettlebell-push-up-set-20kg-30kg-and-40kg-sets.

In addition to the 6-in-1 set, Strongway has introduced an 18kg adjustable kettlebell that offers a practical solution for those who enjoy kettlebell training but don?t want to invest in a full range of weights. With a twist-lock mechanism, users can quickly and easily change the resistance level, making it suitable for dynamic movements like swings, presses, and squats. Its compact design and comfortable grip make it ideal for indoor training sessions and personal use.

As home training habits evolve, the team at Strongway has continued to respond with affordable, high-quality options that are both practical and long-lasting. Co-director Mandip Walia explained: ?We design our equipment to fit into people?s lives. Whether someone?s working out in a spare room, a living room, or a garage, we want them to have access to gear that works for them, without the clutter or the high cost.?

The new adjustable kettlebell can be viewed here: https://strongway.co.uk/products/strongway-18kg-adjustable-kettlebell.

Strongway Gym Supplies is well-known for its innovative products and reliable service. Orders are typically processed quickly, with many customers across the UK receiving their items in five to seven working days ? and in some cases, even sooner.

Customer feedback continues to reflect a high level of satisfaction with both the quality of the products and the efficiency of the delivery process. One recent customer, Mr. Ian D., shared his experience: ?Made a purchase with Strongway Gym Supplies for the Adjustable 6 in 1 set Dumbbell Barbell Kettlebell Push up set along with 20KG in weight. Happy with product and price. Delivery was quick. Would recommend Strongway Gym Supplies. Excellent.?

The company also released an announcement focused on launching its 6-in-1 set, highlighting its multi-functional use and growing popularity among home fitness users. Readers can view that update here: https://www.pressadvantage.com/story/68764-kettlebells-adjustable-to-dumbbells-barbell-and-push-up-stand-launched-by-strongway-gym-supplies-to-.

Co-director Randeep Walia also commented: ?We?ve built our reputation on straightforward pricing, dependable service, and fitness gear that delivers results. This new range continues that promise by offering effective, space-saving equipment that helps people train smarter at home.?

Strongway Gym Supplies continues to support fitness enthusiasts and professionals across the UK with a focus on quality, practicality, and affordability. To place an order or make an enquiry, customers are encouraged to visit the Strongway Gym Supplies website.
