January 29, 2016 -

Dubai Relax Tours is pleased to announce it has added more private and VIP excursions throughout the UAE. It remains the leading destination management company for B2B clients in the country. The private tour and excursion company now covers Dubai, Palm Jumeirah, and other top destinations in the UAE.

The major tour deals include a night tour of Dubai, a sea cruise around Palm Jumeirah, and deep sea fishing in the Arabian Gulf. A trip to Dibba on the Musandam peninsula offers beautiful scenery both above and below the water. Choose from an array of city tours or a dinner cruise. The company no longer only focuses on the local market; service is now available in Arabic, English, French, Czech, and Romanian as well.
