

Treblab Announces Bluetooth Earphones and Discount Promotion

February 01, 2016

February 01, 2016 - PRESSADVANTAGE -

Treblab is pleased to announce the launch and availability of the Treblab SP100 Bluetooth earphones on Amazon. The Treblab SP100 bluetooth earphones are available now at a discount price.

The wireless headphones achieve a high standard in audio quality. A deep, pure bass and clear highs add to this quality. Users also benefit from a long battery life and comfort. The product doubles as a wireless headset too, thanks to the built-in microphone. Hands-free operation and sweat resistance are other stand out qualities; phone calls can be managed at a touch of a button.

Three sizes of ear tips are included. To take advantage of the discount, go to <http://www.amazon.com/Bluetooth-Headphones-SP100-Cancelling-Microphone/dp/B01AF8OK48> and enter discount code ?HXEWX33T for 40% off.
