

SEO Manchester to Host SEO Workshops for Small and Medium Sized Business Owners in 2016

January 30, 2016

January 30, 2016 - PRESSADVANTAGE -

SEO Manchester is planning to host all kinds of SEO and internet marketing workshops in Manchester, England. While previously hosting a few events, the company has a lineup of workshops to be hosted in 2016 via Meetup.com.

The popularization of social media and eCommerce has made a drastic impact on the internet marketing and SEO Optimization industry in just a few years. According the experts at SEO Manchester, there is now more competition in the industry than ever before and there is a new innovation every day. Based in Manchester, England, SEO Manchester is a group of dedicated internet marketers and SEO experts willing to organize workshops and meet-ups on various different subjects within the SEO and internet marketing industry.

According to a spokesperson for SEO Manchester, there are 6 new workshops to be hosted in the near future. While some workshops will teach business owners about effective SEO and how to benefit from it, workshops will also be hosted for startup SEO agencies and entrepreneurs on how to provide effective SEO services to potential clients in a competitive market. The spokesperson also made an official press statement in which he discussed the idea behind SEO Manchester and the upcoming meet-ups.

“Here at SEO Manchester, we started out in hopes that if the community gets large enough, we can hopefully start meeting up and discussing general SEO and how to move our businesses and the SEO industry forward. We are a group dedicated to discussing search engine optimization & internet marketing in the Manchester area,” stated the spokesperson about the basic purpose of SEO Manchester.

He further added about the new workshops that are to be hosted: “2016 is set to be a year full of successful workshops for SEO Manchester. We will host workshops for business owners and teach them how to move their business forward with effective SEO. We will also host workshops for entrepreneurs and startup SEO firms where they can learn essential things about being successful in the internet marketing business.”
