KAUFMAN, TX - May 19, 2025 -

ELIS Manufacturing and Packaging Solutions Inc., a leader in comprehensive contract manufacturing and custom formulation services, proudly announces its 10th anniversary. Since opening its doors a decade ago, the company has grown into a trusted partner for clients across multiple industries including nutraceuticals, beauty and cosmetics, and pet products.

Over the last ten years, ELIS has carved a niche for itself through a dedication to quality, innovation, and customer service. From its inception, the company has focused on delivering end-to-end solutions, encompassing everything from supplement contract manufacturing to specialized packaging solutions. Its ability to adapt and expand its capabilities has made ELIS a go-to provider for brands looking for reliability and scalability in their production processes.

What began as a modest operation has evolved into a robust enterprise offering a wide array of services. These include blending, encapsulation, bottle filling, and the production of sachets and stick packs. The company has continually invested in advanced equipment and technology, ensuring precision and efficiency in every product that leaves its facility.

ELIS also distinguishes itself with its diverse packaging capabilities. The company expertly handles powders, liquids, creams, gels, tablets, and capsules, offering tailored solutions that meet the unique needs of each client. ELIS Manufacturing's custom flavoring services is one recent addition. This adaptability has been key to supporting a broad spectrum of businesses, from emerging startups to established multinational brands.

Beyond core manufacturing and packaging, ELIS Manufacturing and Packaging Solutions Inc provides a suite of value-added services that streamline operations for its clients. These include label printing, kitting, and fulfillment.. By consolidating these functions under one roof, ELIS enhances speed to market and reduces logistical complexities for its partners.

Keith Vinson, Chief Executive Officer of ELIS Manufacturing and Packaging Solutions Inc., reflected on the company?s journey and its future. ?Celebrating our 10th anniversary is not just a milestone?it?s a testament to the trust our clients place in us and the dedication of our incredible team,? said Vinson. ?We?ve built this company on the principles of integrity, quality, and partnership. As we look to the future, we remain committed to innovation and excellence in every aspect of our operations.?

The growth of ELIS over the past decade is also a story of building enduring relationships. The company prides itself on being more than just a sports nutirion manufacturer ?it sees itself as an extension of its clients? businesses. This collaborative approach has fostered long-term partnerships and consistent client satisfaction.

With the celebration of its 10th anniversary, ELIS is also looking ahead to new opportunities and expanded capabilities. Plans are in motion to enhance its service offerings even further, incorporating new technologies and expanding production capacity to meet growing demand.

The anniversary marks not only a celebration of past achievements but also a springboard into a dynamic future. ELIS continues to attract top-tier talent and invest in sustainable practices that align with the values of its clients and the expectations of a changing marketplace.

As the company moves forward, it remains steadfast in its mission to deliver high-quality, reliable, and innovative manufacturing and packaging solutions. This ongoing commitment is what sets ELIS apart in a competitive industry landscape.

As part of its mission to deliver superior service, ELIS maintains stringent quality control standards and complies with industry best practices, ensuring that every product is manufactured under rigorous regulatory oversight. The company operates under FDA registration and adheres to Good Manufacturing Practices (GMP), which reinforces its reputation for safety, consistency, and transparency in production. These

standards are not merely regulatory requirements for ELIS?they are a reflection of its deep-rooted commitment to excellence and consumer trust.

In addition to quality and compliance, ELIS Manufacturing and Packaging Solutions Inc has also embraced sustainability and innovation as key pillars of its operational strategy. The company actively pursues environmentally responsible practices, including optimized material usage, waste reduction initiatives, and energy-efficient processes. This commitment not only minimizes environmental impact but also aligns ELIS with the values of its clients and end consumers who are increasingly seeking eco-conscious partners. These forward-thinking initiatives position ELIS as not just a leader in manufacturing and packaging, but as a proactive steward of industry evolution and environmental responsibility.

The 10th anniversary of ELIS Manufacturing and Packaging Solutions Inc. is a moment to honor its history, celebrate its present, and embrace a future full of promise and potential. With a solid foundation and a clear vision, the next decade promises to be as impactful and inspiring as the first.
