

3rd Planet Techies Sells 200+ Oxwall Plugins

February 01, 2016

February 01, 2016 - PRESSADVANTAGE -

3rd Planet Techies has announced it has sold a number of plugins, including its landing page and website sharing button plugins. The company's team has sold over 200 Oxwall plugins so far, they are pleased to announce.

The plugins include the Ultimate Landing Page (Facebook Clone) plugin that lets users have a customized landing page. YourWebsite Share Button is the other, letting third parties include the button on social network pages or websites; even apps and email. Users can add personalized messages to links if they want. The plugins are available now for purchase.

To learn more about these popular downloads, go to <http://www.3ptechies.com/>.
