

Dave's Carpet Rescue Announces New Website and Upgraded Service with New Equipment

February 01, 2016

February 01, 2016 - PRESSADVANTAGE -

Known in the area for their premium carpet cleaning and house maintenance services, Dave's Carpet Rescue has now announced a new website. With an upgraded service and new equipment, the company plans to expand their business.

Providing their services to clients in Corona, CA, Dave's Carpet Rescue is stated to be a local favorite. The company currently provides an array of services ranging from carpet and upholstery cleaning to tile and grout cleaning. Working for corporate and domestic projects, the company has now announced a new website. Allegedly, the new website will give the clients an ease of access.

According a spokesperson of the company, they have upgraded their service and also have also acquired new RX-20 Deep Cleaning equipment to provide a service better than before. Dave, the owner of Dave's Carpet Rescue, took the initiative of creating a website in order to give the locals a convenient method to get in touch. With the website located at <http://davescarpetrescue.com/>, Dave aims to bring more traffic and further expand his business to areas like Riverside, Orange County, and Irvine CA.

The spokesperson for Dave's Carpet Rescue made an official press statement in which he discussed the background of the company and the new website and the upgraded service "Dave's Carpet Rescue is a family business that has been around since the 1980s. We believe in providing our customers with an honest, reliable and friendly service and thus lots of regular clients. We have recently created a new website and upgraded our service to cater to a bigger clientele."

He further added, "Our new website boasts a multitude of features that allow people to get in touch with this more easily and get an overview of the services we have to offer. With the website, we aim to expand our business and provide our service to more areas like Riverside, Orange County, and Irvine. Furthermore, we now have brand new RX-20 Deep Cleaning equipment in our facility and aim to provide the best carpet cleaning in the area."

More details and a full list of the services provided by Dave?s Carpet Rescue can be seen on their official website at <http://davescarpetrescue.com/>.
