

Easy Import Launches New Office

February 01, 2016

February 01, 2016 - PRESSADVANTAGE -

The staff at Easy Import is pleased to announce the launch of a brand new office, which is located in the Netherlands. The new office helps streamline the auto import process.

Easy Import was founded in 2007 and continues to help people streamline the auto imports process. The company helps people import cars, motorcycles, and motor homes from all around the world with flat rate and custom packages that include registration, import license plates, drafting and BPM substantiate forms, and more.

Through their new office, Easy Import will further work one-on-one with clients to import cars from all over the world. The new office is located at Raasdorperweg 54 1175 KX, Lijnden. More information can be found at <http://easyimport.nl/>.

About Easy Import

Easy Import was launched in 2007 to make importing autos easier than ever.
