

Go Industries Inc. Unveils Heavy Duty Truck Winch: Mile Marker SEC15 Revolutionizes Off-Road Challenges

June 20, 2025

Richardson, TX - June 20, 2025 -
Go Industries Inc., a well-known company based in Richardson, Texas, is expanding its product line with the new Mile Marker SEC15 Winch. For more than forty years, Go Industries has been supplying truck accessories, law enforcement equipment, and custom manufacturing services. People recognize the company for its dedication to quality and forward-thinking products.

The Mile Marker SEC15 Winch is built with the needs of Jeep, truck, and SUV fans in mind. Those who often go off-roading will appreciate its dependability and power. This heavy duty truck winch can pull up to 15,000 pounds and is compact and lightweight, so it's practical for use in tough conditions. The winch features a marine-grade remote control connector and a 6.8 HP series wound motor, providing consistent and reliable performance.

There are two versions of the SEC15 Winch, making it suitable for different preferences. The Steel Cable Version includes a 79-foot steel cable and roller fairlead. Meanwhile, the Synthetic Rope Version comes with

a 3/8-inch by 72-foot synthetic rope and anodized aluminum hawse fairlead. These choices give users flexibility in selecting the setup that fits their needs best.

The SEC15 Winch is made to withstand tough conditions. It's fully sealed and can handle water, mud, and snow. Its strong build includes durable planetary gear sets, fast line speeds, a submersible 400 Amp solenoid, an automatic load-holding brake, and corrosion-resistant stainless steel fasteners. As a heavy duty truck winch, it's a practical addition to Go Industries' product line, promising excellent performance and durability.

A spokesperson for Go Industries, shares, "The introduction of the Mile Marker SEC15 Winch is an exciting development for us. Our aim is to provide reliable and high-performance products for our customers. With its impressive pulling capacity and durable construction, this winch strengthens Go Industries' reputation for delivering quality products that can handle tough jobs."

The SEC15 Winch is priced between $1,050.00 and $1,299.00. This reflects its advanced features and capabilities. Showing Go Industries' knack for technology and customer convenience, the company also accepts cryptocurrency payments, giving customers modern payment options.

In addition to the Mile Marker SEC15 Winch, Go Industries offers a wide range of other products and services. They have a selection of heavy duty headache racks, grille guards, and bumper replacements, all made in the USA. For more details on the range of truck accessories, visit their truck accessories section directly on their website. These are designed for easy installation, requiring no cutting or drilling, which makes the setup much simpler for users. For example, the grille guards are designed to tilt forward for easy access to the hood.

The spokesperson says, "Our commitment to manufacturing top-tier, American-made products is unwavering. We understand the demands placed on trucks and vehicles today, and our products are engineered to meet those needs effectively."

Go Industries also plays a significant role in providing equipment for law enforcement vehicles. They offer special gear for Chevrolet, Dodge, and Ford vehicles, such as skid plates that protect the bottoms of the vehicles when going off-road. More information on law enforcement specific products can be found at their law enforcement section online.

Besides their products, Go Industries supports customers with resources like product instructions, a detailed catalog, and warranty details on their website. The company, holding Platinum Status with SEMA, consistently shows its dedication to excellent service and product quality.

The introduction of the Mile Marker SEC15 Winch, a major inclusion as a heavy duty truck winch, fits with Go Industries' mission to provide strong and reliable solutions for their diverse customer base. Through ongoing innovation and a solid commitment to quality, Go Industries remains a trusted name in the industry.

For more information about Go Industries, including its services, products, or to check out the new SEC15 Winch, customers can visit the company's website or get in touch with their offices in Richardson, Texas, where helpful customer service representatives are ready to assist.
