June 06, 2025

Keller, Texas - June 06, 2025 - PRESSADVANTAGE -

Summer is always a special season at Milestone Church, and 2025 promises to be one of the most impactful yet. From vibrant Vacation Bible School mornings to unforgettable student camps across Texas, Milestone's Keller campus is set to welcome thousands of children, students, and families for "Summer at Milestone," a series of high-energy, Christ-centered events designed to engage the next generation and bless the broader community.

Summer is one of Milestone's favorite times of the year—not just because of the fun and energy, but because of the way God moves in people's lives. Whether it's a child at VBS, a student at camp, or a family joining for the first time, the children and student ministries see transformation happen every year.

One of the highlights of Summer at Milestone is its renowned Next Gen Summer Camps, where hundreds of middle and high school students gather to encounter God, build lifelong friendships, and grow in leadership and spiritual maturity.

Middle School Summer Camp: June 6-9, 2025: This year, Milestone's Middle School Camp will take place at

Lakeview Camp and Retreat Center in Waxahachie, TX. Open to students entering grades 6 through 8, the four-day camp features dynamic worship sessions, small group discussions, and high-energy tribe competitions that foster team spirit and lasting community. With a registration cost of \$319, the camp remains one of the most affordable, spiritually-rich student experiences in the region.

High School Summer Camp: July 23-27, 2025: For students entering grades 9 through 12, High School Summer Camp will be held at the breathtaking LoneHollow Ranch in Utopia, TX. This five-day experience is a pivotal time in many students' faith journeys, offering them the chance to disconnect from distractions and go deeper in their relationship with God. Priced at \$389, the camp includes transportation, lodging, meals, and full access to one of the most beautiful campgrounds in Texas Hill Country.

Both camps are known for being life-changing experiences that encourage students to grow spiritually, build community, and embrace their faith in a deeper way. Each year, Milestone's camps become a key moment in the spiritual development of the next generation.

Vacation Bible School: June 24-26, 2025: In addition to camps, Milestone Keller will host an exciting, fun-filled Vacation Bible School for children entering kindergarten through 3rd grade in the upcoming 2025-2026 school year. Taking place June 24 through June 26 from 9:00 a.m. to 12:15 p.m. daily at the Keller Campus, VBS is a time for kids to participate in engaging worship, interactive Bible messages, games, crafts, and team-building activities. Every child will receive a free VBS t-shirt as part of their registration.

Milestone's VBS consistently draws hundreds of children each year, many of whom are new to the church. The experience is intentionally designed to make every child feel welcome, safe, and excited about their growing faith. The Keller campus team works hard to ensure that each aspect of VBS reflects the church's heart for families and commitment to creating meaningful, age-appropriate spiritual experiences.

Forty5 Camp: June 12-15, 2025 for 4th and 5th Graders: Milestone Keller is also excited to offer Forty5 Camp for incoming 4th and 5th grade students. Taking place June 12-15 at Lake Lavon in Princeton, TX, this four-day camp is designed specifically for upper elementary students to experience worship, small groups, games, and meaningful connection. With a \$350 registration fee, campers will have the opportunity to build lasting friendships, deepen their faith, and enjoy a summer adventure that prepares them for the years ahead.

Beyond camps and VBS, Milestone Keller is known for its warm hospitality and commitment to the community year-round. Throughout the summer, the church also offers connection opportunities for families, single adults, and newcomers through weekend services, community service projects, and volunteer opportunities.

With close to 10,000 attendees weekly across its campuses, Milestone Church has become a central faith

hub in North Texas, drawing people from all walks of life. The church's Summer at Milestone events are expected to draw record participation again this year, based on strong early registrations and community engagement.

Milestone encourages families to register early as space is limited and spots fill quickly. All sign-ups and detailed event information can be found at www.milestonechurch.com.
