

Milestone Church Expands to Argyle, Welcoming a New Campus and a Bright Future for the Community

June 10, 2025

Keller, Texas - June 10, 2025 -
Milestone Church, a growing and dynamic church community known for its life-giving culture, strong biblical teaching, and passionate outreach, is excited to announce the launch of its newest campus in Argyle, Texas. This expansion marks a significant step forward in Milestone?s vision to reach more people and build lives throughout North Texas.

The new Milestone Church Argyle Campus comes as part of a collaborative and prayerful decision between the leadership of Milestone Church and the former Cross Timbers Church in Argyle. With a shared heart for serving the community and a desire to move forward with strength and unity, this transition represents a new chapter for both congregations?one grounded in faith, hope, and the love of Jesus.

Milestone Church has long had a heart for the Argyle area and has been exploring expansion opportunities for some time. When the opportunity arose to join hands with the Cross Timbers congregation, it became clear that the path forward was one marked by God?s provision and perfect timing. As part of this transition, Milestone Church will begin holding services and events in the existing Cross Timbers facility while also working to update and prepare the campus for long-term use.

To accommodate the necessary building updates, Milestone will temporarily hold services at Liberty Christian School in Argyle beginning this summer. This transition will allow time for building improvements, signage changes, and the implementation of Milestone?s systems and teams to ensure a consistent and excellent experience for all who attend. The new Argyle campus will officially operate as a fully integrated part of Milestone Church, sharing the same vision, values, and leadership as its other campuses in Keller, Haslet, and McKinney.

Milestone Church Argyle will be led by Campus Pastor Steve Chestnut, who brings years of experience in ministry leadership and a heart for people. Under his guidance, the Argyle campus will offer the same worship, teaching, and community experiences that have become hallmarks of the Milestone culture. Worship services will feature live music led by the campus worship team, while Pastor Jeff Little?s messages will be broadcast from the main Keller campus to ensure spiritual continuity across all locations.

As a fully integrated Milestone campus, Argyle attendees will have access to all the same ministry opportunities as other locations, including small groups, Serve Team involvement, pastoral care, family ministries, and outreach initiatives. A full-time staff will serve the campus throughout the week to meet the needs of the congregation and community.

This expansion is not just about buildings or branding?it?s about people. Milestone Church is committed to loving and serving the Argyle community with humility, compassion, and excellence. The church has a long history of engaging with local families, supporting schools, investing in the next generation, and building intentional relationships. That same heart will be fully present at the Argyle campus, bringing a fresh sense of energy and stability for those looking for a place to belong.

Milestone Church?s approach to multi-site ministry emphasizes unity, consistency, and empowerment. All campuses operate as one church with shared leadership, strategy, and culture, while being uniquely positioned to meet the specific needs of the local community. This model allows for both deep roots and wide reach, empowering each campus to make a real difference in the lives of people.

For the people of Argyle, this transition offers an exciting opportunity to be part of something bigger while staying rooted in their community. Families, individuals, and newcomers alike can expect to find a place where they are welcomed, valued, and equipped to grow in their faith.

Milestone Church welcomes the Argyle community to join in upcoming events, meet the new campus team, and be part of an exciting new season of ministry and connection. Whether someone is exploring faith for the first time or looking for a new church home, the Milestone Church Argyle Campus is ready to serve.
