Celebrating 20 Years as a BBB Accredited Contractor: Wright at Home Roofing & Exteriors Leads Minneapolis Roofing Excellence

July 10, 2025

July 10, 2025 -
Wright at Home Roofing & Exteriors is celebrating a big milestone this year?20 years of accreditation with the Better Business Bureau (BBB). This achievement highlights the company's long-term dedication to maintaining trust and excellent service in the Minneapolis area. As a local Minneapolis contractor, Wright at Home Roofing & Exteriors has consistently put quality and customer satisfaction first for the past 20 years.

The company started with a clear mission: to offer high-quality roofing and exterior solutions. With the BBB accreditation, Wright at Home Roofing & Exteriors gained a platform to support its commitment to ethical business practices and customer-focused services. The company has become a trusted home siding contractor, earning respect and loyalty from the community. You can learn more about their range of services including roofing, siding, and window installations on their website, Wright at Home Roofing & Exteriors.

Wright at Home Roofing & Exteriors' commitment to Minneapolis is evident in its adherence to BBB's standards. This accreditation has given them a framework for top-notch service and integrity, which has been key to their long-standing success. They focus on clear communication and reliable services, making them a popular choice among roofing contractors Minneapolis.

The CEO of Wright at Home Roofing & Exteriors, Addison Kaasa, said, "Reaching 20 years with BBB accreditation marks an important achievement for us. It represents our commitment to maintaining the standards our clients expect and highlights our dedication to the community. Our clients' trust is at the heart of everything we do, and this recognition motivates us to keep providing excellent services."

Over the last two decades, Wright at Home Roofing & Exteriors has expanded its range of services to

meet various home improvement needs. As leading roofing contractors Minneapolis, they now offer thorough inspections, maintenance services, and energy-efficient installations. The company aims to make sure its work supports environmental sustainability and efficiency.

Being accredited with the BBB for 20 years means more than just having a badge. For Wright at Home Roofing & Exteriors, it's about a continued promise to keep the trust that Minneapolis residents have in them. They view this milestone as a moment to celebrate and as a reminder of their ongoing duty to effective, ethical practices.

"Our 20-year milestone with BBB accreditation speaks volumes about our unwavering dedication to quality and trust," added a company representative. "This journey wouldn't have been possible without the support of our clients and the exceptional team we have on board. We look forward to continuing this path with the same integrity and passion."

Wright at Home Roofing & Exteriors' reputation as a dependable local Minneapolis contractor goes beyond just roofing and siding services. The company often combines practical skills with community values, a key approach in their work. This milestone reflects the company's focus on community and its intent to keep adapting to clients' changing needs. Their storm damage repair services, for instance, are tailored to fit the specific needs of the Minnesota climate, and are supported by a deep understanding of the insurance process.

As they celebrate 20 years of BBB accreditation, Wright at Home Roofing & Exteriors continues to offer innovative solutions while staying true to the principles that have led to their success. Their commitment to building strong community connections and delivering outstanding services forms the foundation for future growth. As a respected name in the industry, Wright at Home Roofing & Exteriors looks forward to serving the Minneapolis community with the same dedication and standards that have been their hallmark over the past two decades. More details on their services and contact information can be found on their website.
