Bay St Louis, MS - June 09, 2025 -

BAY ST. LOUIS, MS ? June 10, 2025 ? Lake LaCroix RV Resort, a premier recreational vehicle destination on the Mississippi Gulf Coast, today announced its plans for a special Fourth of July holiday event. The resort will host a series of family-friendly activities designed to foster a sense of community among its guests and celebrate the summer season. The festivities will include a creative golf cart parade, children?s crafts, a bounce house, and live musical entertainment, reinforcing the resort's position as a leading destination for engaging outdoor and family-oriented travel experiences.

This community-centric celebration reflects a growing trend within the travel industry, where vacationers, particularly those in the RV community, seek destinations that offer more than just a place to stay. Modern travelers are increasingly drawn to locations that provide memorable experiences and opportunities for connection. The planned events at Lake LaCroix RV Resort are tailored to meet this demand, offering organized yet relaxed entertainment for all ages. The centerpiece of the celebration will be a patriotic golf cart parade, where guests are invited to decorate their carts in festive themes. A prize will be awarded for the most creative and spirited design, encouraging friendly competition and participation.

Throughout the daylight hours of the holiday period, younger guests will have access to a dedicated bounce house and a station for imaginative crafts, ensuring that the resort?s youngest visitors have ample entertainment. On the evening of July 3rd, the celebration will continue with a live band performance scheduled for 5 p.m., providing a festive soundtrack for the holiday eve. These activities are designed to complement the existing amenities of the RV Park, which include a large lake for swimming and fishing, a zero-entry swimming pool, and an expansive water obstacle course. The combination of special events and permanent attractions creates a comprehensive vacation atmosphere.

A spokesperson for Lake LaCroix RV Resort commented on the upcoming festivities, highlighting the resort's philosophy. "Our vision for Lake LaCroix has always been to create a place where families can come to make lasting memories. The Fourth of July is a perfect occasion to bring that vision to life. We wanted to organize a celebration that feels both festive and personal, giving our guests a chance to connect with one another and enjoy the natural beauty of the Mississippi coast. It?s about more than just a holiday; it?s about building a community, even if just for a weekend. We believe that offering these shared experiences is what transforms a good vacation into a great one, and we are excited to welcome families to our RV park for this special occasion."

Located in the historic and scenic city of Bay St. Louis, Lake LaCroix RV Resort benefits from its charming coastal setting. Bay St. Louis itself has a rich history as a resort destination, and its recognition as one of America's "Coolest Small Towns" speaks to its enduring appeal. The resort's focus on providing a high-quality outdoor experience aligns with the character of the surrounding area, which is known for its vibrant arts scene and welcoming atmosphere. This event serves not only as an attraction for resort guests but also as a contribution to the lively summer culture of the Mississippi Gulf Coast.

The increasing popularity of the RV lifestyle, which includes everyone from weekend travelers to full-time remote workers, has shifted the expectations for RV parks and campgrounds. The industry has seen a move away from basic overnight stops toward amenity-rich resorts that function as standalone destinations. Lake LaCroix RV Resort is at the forefront of this evolution, providing a robust infrastructure that includes full-service pull-through and back-in sites with 30/50 amp hookups, alongside unique offerings like kayak and paddle board rentals, a dedicated dog park, and lakeside bonfire setups. The resort's ability to cater to a wide range of visitor needs, from those seeking adventure on the water to others looking for peaceful relaxation by the shore, is a key component of its appeal. The Fourth of July celebration is an extension of this full-service approach, adding another layer to the guest experience.
