Auckland, New Zealand - Wedge design and no installation doorstops are widely used in households nowadays. Each pack comes with the convenience and capacity to hold doors wide open on different sorts of surfaces. Therefore, size and design are mostly considered before buying different types of doorstops, to ensure each doorstop is suitable to fit the space between the door and the floor.

SuperiorMaker are now re-launching their new sets of doorstops in the famous online market Amazon.com. Designed to be better and ideally sized for all standard home and office doors, SuperiorMaker door stops are fabricated with better rubber material and low profile tip design to guarantee efficacy on different types of doors.

Door stops manufacturer also made sure that their doorstop are made to work well on carpet covered floors that have irregular clearance from the ground. Moreover, the new release version of doorstops are made to work best on a wide range of floors, including glossy tiles. With a better rubber material used, this ensures a scratch-free surfaces. SuperiorMaker assures buyer with a scratch free floors cause by using numerous plastic, wooden and metal doorstops.

The door stops have grown in popularity on Amazon, with an abundance of positive feedback. From which a lot of buyers recognizes the functions and safety of this type of doorstop for their household.

?These door stops are amazing. They hold really well on both the carpet and also on the tiles we have downstairs. I have one under each of the kid?s doors to try and persuade them from shutting their doors all the time too. Really good value too particularly with the 2 free eBooks which are probably worth the purchase price alone! Lovely packaging too,? said Lydia Orewa, a verified 5-star Amazon customer.

Another ecstatic Amazon customer James McLaughlin urges shoppers to look no further than the door stops from SuperiorMaker, and also describes them as being the ultimate door stops. ?These door stops are brilliant. They do the job perfectly. We had problems with softer doorstops that kept slipping about, but these grip really well, and hold the door securely, even in the gusty breeze we get through our house. We use them on both wood and carpet and have had no problems with them. Wonderful value for money, and the e-books handy for my commute too,? said James McLaughlin.

The door stops from SuperiorMaker is available at a discounted re-launching price on the popular shopping portal Amazon.com. Each purchase is fully backed by a no hassle 100 percent money back guarantee. Each purchase also comes with a two free homecare eBooks.
