

After 44 Years, Local Plumber Tom Thornton Retires, Passes Torch to Longtime Employee Jesse Guerrero

June 19, 2025

GLENDALE, AZ - June 19, 2025 -
After 44 years of keeping the pipes flowing and the water running in homes across the Valley, respected plumber and business owner Tom Thornton is officially retiring from Sav-On Plumbing. Known for his integrity, dedication, and no-nonsense approach to plumbing, Thornton has become a trusted name in Phoenix and surrounding communities for over four decades.

In a lighthearted but symbolic gesture, Tom marked the occasion by ?knighting? his successor, Jesse Guerrero, with a ceremonial plunger?a nod to the down-to-earth humor and camaraderie that have always been a hallmark of the company culture. Guerrero, who has been with Sav-On Plumbing for the past 10 years, is no stranger to customers. Known for his expertise, professionalism, and approachable style, he has earned the respect of both clients and coworkers alike.

?Jesse isn?t just a great plumber; he?s a great person,? said Thornton. ?He?s been by my side for a decade, learning the ins and outs of the business and earning the trust of our customers. I couldn?t imagine

leaving Sav-On in better hands.?

Sav-On Plumbing has long been a fixture in the Phoenix metro area, offering reliable residential and commercial plumbing services with an emphasis on honest pricing, quality workmanship, and community connection. Under Jesse?s leadership, the company will continue operating with the same values and customer-first mindset that have defined it for over 40 years. Sav-On Plumbing is a full-service plumbing company, including extensive experience in water heater repair and replacement, slab leak detection, slab leak repair, water softeners, water pressure regulators, toilet repair, and bathroom remodeling. They are also willing and able to work on many homes that most plumbers avoid, such as mobile and manufactured homes.

?It?s an honor to continue what Tom started,? said Guerrero. ?I?m grateful for his mentorship and excited to lead Sav-On into its next chapter.?
