PASO ROBLES, CA - July 01, 2025 -
Bubba's Smokehouse & Spirits is excited to bring a new taste to its barbecue restaurant in Paso Robles, California, with the introduction of the "Smoked Brisket Special." Known for its focus on true barbecue flavors, Bubba's adds this carefully crafted dish to its menu, enhancing its reputation for creating rich, tasty smoked meals.

Since it began, the restaurant has been a favorite for locals and tourists. It all started as a simple cinnamon-roll concession trailer at the Mid-State Fair and has grown into a full-fledged barbecue spot. Roger Sharp, the founder, has skillfully mixed the restaurant's rustic beginnings with local culture to create unique dishes like the new smoked brisket.

The smoked brisket uses Bubba's special wood blend, adding layers of smoky flavor that fit perfectly with their existing menu. Customers can enjoy the smoked brisket alongside other popular items such as ribs,

chicken, and a variety of sides that make Bubba's a great place to eat. To explore the full range of offerings, from smoked meats to signature sides, the restaurant's full menu can be accessed online.

"At Bubba's Smokehouse & Spirits, we focus on giving our customers a real barbecue experience, and the smoked brisket is just us expanding our menu in line with our mission," said a representative for Bubba's Smokehouse & Spirits. "We're thrilled to have both new and repeat customers try this dish, which shows our promise of quality."

Bubba's offers many services, including dine-in options and catering for events ranging from small family gatherings to large formal occasions for up to 300 people. The catering services bring Bubba's distinct flavors to a variety of venues, making any event memorable. There's also an online ordering system that makes it easy for fans to get their favorite dishes at home, offering convenience for those days when they can't visit in person.

Adding to the fun and family-friendly vibe, the restaurant is decorated with themed items like jail-cell booths and a talking bull head. This lively atmosphere goes perfectly with the tasty menu. Bubba's pride in high-quality service is clear, as shown in the many positive reviews from the community.

A recent visitor's 5-star review praised the amazing flavors and friendly service, adding another positive mark to Bubba's lasting reputation. This kind of customer satisfaction shows how devoted Bubba's is to keeping standards high.

"The new smoked brisket invites guests to enjoy the deep flavors we're passionate about," said the Bubba's Smokehouse & Spirits representative. "We love bringing people together around good food and a memorable dining experience."
