

PSS International Removals Enhances the Experience of Moving to South Africa with New Partnership

June 26, 2025

London, England - June 26, 2025 -
PSS International Removals has teamed up with Settle In South Africa to create a new, streamlined service for those planning a move to South Africa. By joining forces, they have combined the expertise of PSS International Removals in shipping belongings around the world with Settle In South Africa's knowledge of managing visa processes and offering support upon arrival. Recent changes have led to a significant increase in people returning to South Africa as well as people moving there for the first time.

This new partnership is designed to cut through the complexities typically found in international moves. PSS International Removals will handle the logistics of shipping personal items, while Settle In South Africa manages visa processing and assists with settling in. Together, they provide comprehensive relocation services, ensuring a smoother and more organised transition for their clients moving to South Africa.

PSS International Removals offers extensive services such as international removals and international shipping, providing clients with customised solutions for transporting their belongings globally.

"The number of people we have helped move to South Africa has increased by 46% in just the last couple of years." said Liam Witham of PSS International Removals. "Teaming up with Settle In South Africa broadens what we can offer. We know that moving internationally can be stressful. Our goal is to reduce that stress by managing the logistics of your belongings while Settle In South Africa takes care of visas and on-ground needs."

Settle In South Africa is known for its deep understanding of South African immigration laws and procedures, which means clients can expect trustworthy support throughout their move. By providing a single point of contact for both shipping logistics and immigration guidance, the partnership fosters better communication and makes the relocation process simpler.

Clients interested in specialised shipping services like international box shipping or international baggage shipping can rely on PSS International Removals for efficient transport solutions.

Denise Samuelson, CEO of Settle In South Africa, said, "The collaboration combines immigration, housing, and life management services, from finding schools to cultural integration, with proven logistics capabilities. This integrated approach makes international relocation stress-free for families and professionals."

Deciding to Settle In South Africa involves careful planning and execution. The partnership focuses on overcoming typical challenges faced during such international relocations. By drawing on the joint expertise of both companies, clients get an all-inclusive solution that covers both pre-departure needs and post-arrival adjustments.

The service kicks off with Settle In South Africa helping clients navigate the visa application process, providing crucial information for a successful transition. Meanwhile, PSS International Removals handles the packing, shipping, and transport of personal items. Their well-tested procedures ensure belongings arrive securely and efficiently in South Africa.

For those needing to transport vehicles, PSS International Removals offers international car shipping, ensuring smooth and safe transport of one's automobile to South Africa.

Upon arrival, Settle In South Africa continues to support newcomers as they adjust to their new environment, whether it involves understanding local regulations or finding necessary services to help them settle in quickly.

This collaboration is designed to serve a wide range of clients, from individuals and families to businesses looking to relocate. By focusing on two significant aspects of moving, both companies reinforce their

dedication to providing professional and friendly services.

The partnership underscores the need to address every part of an international move, recognising that all components contribute to a successful transition. By pooling their resources and know-how, PSS International Removals and Settle In South Africa are setting a higher standard in the relocation industry.

With a unified vision focused on client satisfaction, this partnership is set to provide a level of service that not only meets but exceeds the expectations of those moving to South Africa. The alliance between PSS International Removals and Settle In South Africa demonstrates their commitment to making international moves easier and opening doors to new opportunities.

As global connections continue to grow, PSS International Removals is committed to expanding its services through strategic partnerships. This collaboration with Settle In South Africa illustrates the company's commitment to innovative, customer-centric solutions, offering peace of mind to everyone who chooses to make South Africa their new home.
