Georgia-Based Horst Shewmaker Secures $50,000 Settlement in Mississippi Car Accidents, Aids Rising Injury Cases

June 26, 2025

AUGUSTA, GA - June 26, 2025 -
Horst Shewmaker, a law firm based in Georgia, has achieved a notable settlement for a client who was involved in a serious car accident in Mississippi. This success highlights the firm's dedication to helping people throughout the region who are affected by the increase in personal injury cases.

Back in December 2023, the client was a passenger in a vehicle when another driver hit their car at a high speed. The impact sent their car off the road, coming to an abrupt stop. After returning to Georgia, the passenger began experiencing severe symptoms, such as lower back pain, leg pain, arm numbness, headaches, dizziness, and blurred vision. Initial treatments didn't ease her pain, leading to the need for orthopedic evaluations and ongoing pain management.

The legal team at Horst Shewmaker, skilled in personal injury cases, quickly pulled together all the necessary medical documentation to back up their client's claims. They soon reached an agreement with the at-fault driver's insurance provider, as well as with the client's underinsured motorist policy, resulting in a $50,000 settlement.
