

Historic West Wind Equestrian Estate Among Leading Estates for Sale in New York: Discover One's Dream Home Amid Scenic Beauty and Top Facilities

June 25, 2025

DELANSON, NY - June 25, 2025 -

The historic West Wind Equestrian Estate in Delanson, NY is now on the market. Nestled in the peaceful landscapes of the northern Hudson River Valley in Albany County, the property offers a mix of rustic charm and modern comforts. The French-style mansion, sprawling over 6,500 square feet, stands at the heart of this refined estate, enveloped by scenic views and thriving greenery.

For those interested in exploring more unique historic properties, visit a luxury real estate listings platform that includes detailed information about such estates. This can give potential buyers an insight into the exclusive market for properties like West Wind Equestrian Estate.

West Wind Equestrian Estate boasts six additional structures, including a caretaker's cottage, a Eurociser for horse training, a carriage house, a blacksmith shop, and a heated barn. One striking feature is its impressive indoor arena, measuring 100 by 200 feet. This arena includes a mirrored end wall and a spacious viewing

area with a full kitchen and professional office space, perfect for those planning to use the estate for equestrian training or events.

A virtual tour showcasing equestrian estates provides an immersive experience to attract buyers who can envisage the estate both in its elegant interiors and its vibrant exteriors.

Currently, the estate is listed for $1,950,000. Dawn Meifert, a real estate agent with Howard Hanna, is handling the listing. She shares, "West Wind Equestrian Estate represents a rare opportunity to own a piece of history while enjoying the unparalleled beauty and tranquility of upstate New York. The estate's amenities cater to both casual equestrians and professional trainers looking for a pristine training venue."

For families and professionals involved in equestrian sports, this estate is an ideal summer training spot. It's especially appealing to those from Florida and other southern states who want to escape the intense summer heat. The comprehensive facilities fulfill all equestrian needs, positioning it among the leading equestrian estates for sale in New York today.

One appealing aspect of West Wind is its well-maintained architecture and landscape design. The French-style mansion beautifully aligns with the natural surroundings, boosting the estate's visual charm. This thoughtful blend of design and environment provides a sense of peace and harmony for its residents.

Meifert notes, "The estate's combination of historical significance and modern equestrian facilities makes it not only a home but also a versatile venue for equestrian events and training. It's a place where owners can continue the legacy of excellence in equine sports."

For potential buyers looking to live and work alongside their horses, this estate is particularly inviting. With its full range of facilities and picturesque setting, West Wind Equestrian Estate offers a unique opportunity in today's real estate market. The Northern Hudson River Valley not only delivers a stunning location but also a community rich in equestrian traditions and culture. Equestrian enthusiasts can learn more about the benefits of training in this beautiful valley by exploring a dedicated equestrian blog.

Interested parties can explore the property on the Howard Hanna website or find it on various platforms showcasing equestrian estates for sale in New York. The listing provides in-depth information about the property, highlighting its amenities, historical background, and prospects as a top-tier equestrian destination.

The sale of the West Wind Equestrian Estate provides a chance for individuals or families to own a historic property with excellent equestrian facilities. Its serene setting and extensive amenities make it an outstanding

option for those engaged in horse training or equestrian sports, offering a unique living and training experience in the heart of New York.
