

Keathley Landscaping Expands Expert Sod & Grass Installation Services to Lake Highlands, Allen, and Plano

July 02, 2025

GARLAND, TX - July 02, 2025 -
Keathley Landscaping, a well-established landscaping company based in Dallas, Texas, is excited to announce they are widening their service area. Now, more homeowners can benefit from their expert sod installation services. Known for delivering quality work at great prices, Keathley Landscaping is expanding its reach to include Lake Highlands Dallas sod installation, Allen sod installation, and sod installation Plano TX.

Since starting in 2002, Keathley Landscaping has been focused on transforming outdoor spaces. This expansion means more homeowners will be able to enhance the look and function of their properties with lush, inviting lawns. The expansion is set to offer greater access to their expertise in lawn transformation and maintenance.

"Our mission has always been to provide practical yet beautiful solutions to as many clients as we can," says Logan Keathley from Keathley Landscaping. "With this expansion, residents in Lake Highlands, Allen, and

Plano can now enjoy the high level of service that residents in Dallas have come to expect from us over the years."

Keathley Landscaping prides itself on its efficient and precise sod installation process, often completing lawn transformations in just one to three days. This fast yet careful approach not only saves time but also ensures gardens get top-tier treatment, resulting in lush lawns that last. The team's skill in sod installation is supported by years of experience and a host of satisfied customers who share positive feedback.

In addition to Allen sod installation, Keathley Landscaping offers a wide array of landscaping services. These include landscape design, construction of patios, decks, pergolas, and various quality outdoor features. Their dedication to creating captivating outdoor spaces is evident in how meticulously each project is executed.

For those looking to add more than just grass to their yards, Keathley Landscaping excels in modern stonework. They offer services like installing natural stepping stones, contemporary pavers, and build structures like retaining walls and veneers that add both beauty and utility to outdoor areas. Additionally, they enhance homes with outdoor living spaces such as kitchens, fireplaces, and fire pits, making outdoor gatherings even more enjoyable.

"Our expansion gives us the chance to bring a complete range of landscaping services to new areas," Logan Keathley continues. "It's about much more than laying sod; we're about creating an entire outdoor experience. From planning to execution, Keathley Landscaping brings ideas to life."

The company's dedication to quality service is evident in its focus on customers. Keathley Landscaping aims to keep services affordable while being dependable and efficient. Along with their services, they offer expert advice on yard care, including fertilization, grass seeding, and effective watering techniques.

Keathley Landscaping also includes elements such as stonework, flowerbeds, fences, and sodding in their offerings, enhancing the beauty of outdoor spaces. By bringing these features into their designs, they fulfill each customer's vision, creating balanced and well-kept environments.

The move into areas like Lake Highlands, Allen, and Plano is a strategic step for Keathley Landscaping. By broadening their reach, they are ready to meet the increasing demand for professional landscaping, including sod installation Plano TX, in these regions.

Keathley Landscaping stays true to its core values of providing high-quality service, understanding customer needs, and achieving remarkable results. As the company continues to expand, its reputation for excellence

in landscaping around and beyond Dallas is set to grow, driven by their passion for crafting dream outdoor environments. For more details, visit their website.
