February 09, 2016 - PRESSADVANTAGE -

Leven Rose, a business in Colorado Springs, CO, is proud to announce that they have been chosen to be featured in Zulily's Valentine's Day weekend promotion with their bestselling natural beauty oils gift sets. To celebrate, they are running a limited time promotion on Zulily for special offer gift sets, which will run from Sunday, February 14th (Valentine's Day) through Tuesday, February 16th. During this sale, the Rosehip Seed Oil, one of the company's most popular carrier oils, will be available in a 4 ounce bottle.

Courtney Olson from Leven Rose says: "Zulily is the leading commerce platform for moms and natural beauty fans. It is truly an honor to be hand-selected by them for this promotion."

People were really excited to hear about the promotion. The Leven Rose Rosehip Oil is so popular that it frequently sells out. Hence, being able to purchase a larger than usual bottle, albeit for a limited time only, is something many people are very excited about. The oil is 100% organic and is made from pure, unrefined, cold pressed rosehip seed oil. The seeds are cultivated in Chile. As with all products from the said company, it is non-GMO, paraben free and free from any chemicals.

The products that Leven Rose has developed have long been very well received, which is what caught the attention of Zulily as well. "Best product I used for my hair," says Lilian. "Love it and great price for an organic product. Can not decide what I will buy next (I want everything)."

Zulily.com is a website dedicated to helping people find something special every day. They regularly feature new and upcoming products and businesses in various categories. However, they are incredibly selective in terms of which products and businesses they promote, which is why Leven Rose is so honored to have been chosen. "Zulily is a retailer obsessed with bringing moms special finds every day, all at incredible prices," says a representative from Zulily. "We feature an always-fresh curated collection for the whole family, including clothing, home decor, toys, gifts and more. New sales launch every day and typically last 72 hours."
