

Hi-Performance Boat Parts Featured At 2016 Progressive Insurance Miami International Boat Show

February 11, 2016

February 11, 2016 - PRESSADVANTAGE -

Stainless Marine Inc., a business in Opa Locka, FL, is proud to announce that they will be attending the 2016 Progressive Insurance Miami International Boat Show. However, the event has been moved from the usual Miami Beach Convention Center to the Miami Marine Stadium Park & Basin. The event is scheduled to take place during President's Day Weekend between February 11th and February 15th, 2016. Stainless Marine Inc. will be found at stall E155 in the E Tent, where they will be presenting their Hi-Performance boat parts. More details can be found at <http://www.stainlessmarine.com/>.

Letty Alejo from Stainless Marine Inc. says: "We're so excited to be part of this event again. Every year, it seems to get bigger and better, and this show is set to be the biggest and best one yet. It will be an opportunity for us to showcase our variety of marine products, in particular the Hi-Performance boat parts that are part of our inventory. We look forward to seeing you there."

The Premier Day of the show is scheduled for February 11th between 10am and 6pm. The show days are on Friday, Sunday and Monday. The event will be held at 3501 Rickenbacker Causeway, Miami, FL 33149, which is located on Virginia Key, just minutes away from Downtown Miami.

Stainless Marine, as can be seen on their website at <http://www.stainlessmarine.com/about-us/>, is committed to quality and style. Founded and still located in Florida, they have a particular affinity for the marine conditions of the area, as well as having built relationships with the many boating enthusiasts there. "Stainless Marine is now recognized worldwide for its high-torque aluminum manifolds, outboard engine brackets, crossovers, thermostat housings, risers, jackplates, and "No-Slack" indicators," adds Letty Alejo. "As performance has evolved, so have we. With the introduction of aluminum and space age plastics, handwork has given way to computer controlled machining."

The boat parts company also encourages everyone to like their Facebook page at <https://www.facebook.com/Stainless-Marine-Inc>. This will give them the opportunity to stay up to date with developments and receive more news about the upcoming 2016 Progressive Insurance Miami International Boat Show.
