

Globalserve Consultants Ltd Announces Enhanced Suite of Business Consulting, Tax, and Company Formation Services

July 10, 2025

Limassol, CY - July 10, 2025 -

LIMASSOL, CYPRUS ? July 11, 2025 ? Globalserve Consultants Ltd, a leading firm in international tax consulting, accounting, and corporate services, today announced a significant enhancement of its business consulting and services portfolio. This strategic expansion is designed to provide entrepreneurs and established corporations with a more integrated and dynamic approach to navigating the complexities of the global business environment. The firm has refined its core offerings in tax advisory and company formation to meet the evolving needs of its international clientele, reinforcing its commitment to fostering client success and operational excellence.

For over three decades, Globalserve Consultants Ltd has been at the forefront of providing comprehensive solutions for international business operations. The firm?s dedication to continuous improvement has culminated in a suite of services that are not only robust but also tailored to the specific challenges and opportunities of today?s market. The enhanced business consulting services are designed to offer clients strategic insights and practical support in a variety of areas, including financial planning, operational structuring, and risk management. This holistic approach ensures that clients receive not just advice, but a

clear roadmap for sustainable growth and profitability. The firm?s team of seasoned professionals, with their deep industry knowledge and cross-jurisdictional expertise, are adept at identifying and implementing strategies that drive efficiency and create value.

A key component of this service enhancement is the expanded tax advisory practice. In an era of increasing regulatory scrutiny and complex international tax laws, Globalserve Consultants Ltd provides clients with the clarity and confidence they need to manage their tax obligations effectively. The firm?s tax specialists offer a comprehensive range of services, from international tax planning and compliance to transfer pricing and VAT consulting. By staying abreast of the latest legislative changes and international agreements, they are able to devise and implement tax structures that are both compliant and efficient. This proactive approach to tax planning is crucial for businesses looking to optimize their global tax position while mitigating potential risks. The firm?s extensive experience with the Cypriot tax system, renowned for its transparency and numerous advantages for international businesses, is a cornerstone of its advisory services.

The company formation and management services at Globalserve Consultants Ltd have also undergone significant improvements to provide a more streamlined and comprehensive experience for clients. Recognizing that the successful establishment of a corporate entity is the foundation of any business venture, the firm offers an end-to-end solution that covers every aspect of the formation process. This includes the incorporation of companies in Cyprus and over 30 other international business centers, as well as ongoing administrative support, secretarial services, and the opening of corporate bank accounts. The firm?s expertise extends to the formation of various legal entities, including holding companies, trading companies, and investment funds, ensuring that clients can select the optimal structure for their specific business objectives. By simplifying the complexities of company formation, Globalserve empowers entrepreneurs to focus on their core business activities, confident in the knowledge that their corporate affairs are in expert hands.

The decision to enhance these core services was driven by a commitment to providing unparalleled value to clients. The global business landscape is in a constant state of flux, and businesses require a partner who can not only keep pace with change but also anticipate future trends. Globalserve Consultants Ltd has invested significantly in its people, processes, and technology to ensure that it remains at the cutting edge of the industry. The firm?s multilingual team of chartered accountants, lawyers, and business consultants work collaboratively to deliver integrated solutions that address the multifaceted needs of their clients. This client-centric approach is a testament to the firm?s philosophy of building long-term relationships based on trust, integrity, and mutual success.

Phani Schiza-Antoniou, Managing Director of Globalserve Consultants Ltd, elaborated on the firm?s strategic

direction. She stated that the company's journey since 1994 has been defined by a continuous evolution aimed at providing clients with the highest level of service and expertise. According to the Managing Director, the recent enhancements to the business consulting, tax, and company formation services are a direct response to the dynamic needs of the international business community. She further explained that the firm understands that in today?s interconnected world, businesses require more than traditional consulting. Instead, they need a strategic partner capable of providing holistic, forward-thinking solutions that drive growth and create a competitive advantage. The expanded service offering is a reflection of the firm's unwavering commitment to empowering its clients to achieve their ambitions. The leadership is confident that these enhancements will further solidify the company's position as a trusted advisor to businesses around the world.

The firm?s unique selling propositions, including its extensive international network, its deep understanding of various jurisdictions, and its personalized approach to client service, are central to the enhanced service offering. By leveraging these strengths, Globalserve Consultants Ltd is able to provide a seamless and efficient service that is tailored to the unique circumstances of each client. This bespoke approach ensures that clients receive not just off-the-shelf solutions, but customized strategies that are designed to deliver tangible results. As businesses continue to seek new opportunities in the global marketplace, the need for expert guidance and support has never been greater. Globalserve Consultants Ltd is well-positioned to meet this demand, providing the strategic counsel and practical assistance that are essential for success in the international arena.

About Globalserve Consultants Ltd: Founded in 1994, Globalserve Consultants Ltd is a leading provider of international business consulting, tax, and corporate services. With its headquarters in Limassol, Cyprus, and a global network of partners, the firm offers a comprehensive range of solutions to a diverse international clientele.
