LINDENHURST, NY - July 24, 2025 - PRESSADVANTAGE -

Studio Trio Hair Salon is excited to share the launch of its new website, a hub designed to provide an insightful look at their diverse services while improving user experience. The salon, famous for its eco-friendly approach as Long Island's first Green Circle Salon, remains committed to sustainability, blending beauty services with earth-friendly practices.

Explore the wide range of salon services at Studio Trio Hair Salon through their revamped platform. Customized haircuts and styles are crafted to fit various hair types and face shapes, ensuring clients receive a tailored experience that enhances their unique look. The skilled styling team focuses on creating a personalized session for every client. Customers can also book customized hair treatments starting at \$18 to suit any specific hair care needs.

Hair coloring is a standout service at the salon. Clients have many options, like root touch-ups, foils, balayage, and dimensional color. The team handpicks techniques that fit each customer's lifestyle, so whether one might want a sun-kissed balayage or a bold color makeover, they offer solutions perfect for every individual's needs.

Chemical treatments form a big part of what Studio Trio does. Clients looking to manage frizz, change curl patterns, or achieve smoother hair will find suitable options. The salon's specialists use the latest, top-rated application systems that prioritize the health and beauty of one's hair through safe processes.

The salon also specializes in hair extensions, offering various methods to help clients get the look of their dreams. Customers can book a consultation to explore the options that fit their own personal style and start planning their transformation by scheduling an appointment through their online booking service.

Weddings are a special area of expertise at Studio Trio, with top-rated freelance artists handling hair and makeup for brides and their parties. Whether it's a chic braid or an intricate updo, the salon promises nothing less than excellence for one's big day.

Naomi Corbo from Studio Trio Hair Salon shared her thoughts on the website update. "Our new website shows our dedication to delivering great services conveniently and effectively," she said. "With our online presence, we're excited to reach more people while keeping the high standards our clients love. Check out our socials to stay updated on the latest trends and offerings from Studio Trio."

For those experiencing specific hair or scalp issues, Studio Trio offers specialized hair treatments starting at \$250 for a 4-week package, which includes a scalp massage, blowout, and home maintenance products. Additionally, their advanced scalp therapy service incorporates red and blue light therapy for enhanced scalp health and growth.

The new website also includes an online store, where clients can buy top-quality hair care products. Brands like ELEVEN, RPM, and Trybe are available, and customers can enjoy free shipping on orders over \$75. Whether one is looking for hair care, skin care, or luxury body care, the options are abundant, allowing clients to maintain their beauty routine at home with ease. Clients can even choose their favorite stylist to credit with their purchase, strengthening the community vibe Studio Trio supports. "We're eager for our clients to visit our shop online and check out all the fantastic products on offer," Corbo says.

For those who'd like to visit, Studio Trio Hair Salon is located at 109 N Wellwood Ave, Lindenhurst, NY 11757. The salon opens its doors Tuesday through Friday from 10 am to 7 pm, Saturday from 9 am to 5 pm, and by appointment on Sundays and Mondays. Scheduling an appointment is easy with their online booking service, making it simple to plan a visit and ensure all one's needs are met at a convenient time.

The website also features a stylist directory, helping clients browse and select their preferred stylist, in line with the personalized service the salon is famous for. Clients can learn all about the different services offered and the salon's dedication to sustainability and quality.

Studio Trio Hair Salon is active on social media, with profiles on Facebook and Instagram. Naomi Corbo adds, "Everyone is welcome to check out our fresh website, browse our services, and enjoy the top-notch care we're known for."

As the salon leads with eco-friendly practices, its new website is set to increase its impact, giving clients access to excellent service and quality with just a few clicks.
