This company was built by my family, and every time we head out on the water, we carry that legacy with us. We are always looking to grow and improve the experience for our guests.?

A notable new chapter in the Kelley legacy includes Captain Carson Kelley, the newest generation to join the helm. Carson brings fresh energy and the same dedication to excellence that has defined Kelley Girl Charters since its beginning.

Fishing trip options are designed with flexibility in mind. Guests can choose between trolling for Spanish mackerel, bottom fishing for red snapper, or the adrenaline of shark fishing.
