Arrowhead Clinic in Duluth Launches Swift Healthcare Initiative for Car Accident Victims to Prevent Long-term Complications

July 29, 2025

DULUTH, GA - July 29, 2025 -
Arrowhead Clinic in Duluth has announced a new effort to help car accident victims in Gwinnett County get the immediate healthcare they need. This initiative focuses on the first 48 hours after an accident, a critical window to keep injuries from getting worse. With Duluth experiencing over 15,000 car accidents every year, Arrowhead Clinic aims to tackle the delayed symptoms that often turn into long-term problems if not addressed quickly.

The clinic has revamped its services to make post-accident care smoother and faster, even working with walk in patients that need urgent attention. With this new approach, victims can expect quick medical evaluations and proper injury documentation. Plus, Arrowhead Clinic offers same-day chiropractic appointments for those dealing with pain or discomfort after an accident. Dr. Darris Gentry, DC, underscores the need for prompt care: "Our goal is to provide comprehensive evaluations and treatment plans quickly, reducing the likelihood of long-term complications. Delayed treatment not only affects the recovery process but also increases overall healthcare costs."

Residents searching for advice on what to do following an accident can rely on Arrowhead Clinic's detailed guide. This resource spells out key steps to take within the first 48 hours post-accident. It explains how to stay safe immediately, contact emergency services, and schedule key evaluations.
