

4 Guys & A Roof Relocates Operations from Haskins to Toledo, Ohio, Expanding Service Capacity After 25 Years in Northwest Ohio

August 14, 2025

TOLEDO, OH

MONCLOVA, OH - August 14, 2025 -

TOLEDO, Ohio ? 4 Guys & A Roof, a roofing contractor serving Northwest Ohio for over 25 years, has relocated its operations from Haskins, Ohio to a new facility at on Cedarhurst Road in Toledo. The company specializes in residential roof repair, roof replacement, and chimney repair services for homeowners throughout the Toledo metropolitan area and southeastern Michigan.

The relocation represents a strategic move to enhance response times and accessibility for customers in Toledo's urban and suburban communities. The company maintains its established presence in the region while positioning itself to serve a broader customer base from the new Toledo location.

"The move to Toledo allows us to be more responsive to customer needs in the metropolitan area," said Jamie, a company representative. "We have been serving this community for over two decades, and this

relocation demonstrates our continued commitment to providing reliable roofing services to Toledo area residents."

4 Guys & A Roof holds Owens Corning Platinum Preferred Contractor status, a designation reserved for contractors who meet specific criteria including proper licensing, insurance coverage, and customer satisfaction standards. The company maintains full bonding and insurance coverage for all projects and offers extended warranty protection on both materials and workmanship.

4 Guys & A Roof provides three primary service categories for residential customers that address the full spectrum of roofing needs. Complete roof replacement services include the removal of existing roofing materials, installation of new underlayment and ventilation systems, and application of new roofing materials. Each replacement project includes site preparation, debris removal, and post-installation property cleanup. The company uses manufacturer-approved materials and installation methods to ensure compliance with warranty requirements.

Roof repair services address specific issues without requiring complete system replacement. The company's technicians diagnose problems such as leak sources, missing or damaged shingles, flashing defects, and storm damage. Emergency roof repair capabilities allow 4 Guys & A Roof to respond to urgent situations that require immediate attention to prevent further property damage. The repair process includes a thorough assessment of the affected area and an honest evaluation of whether repair or replacement represents the most appropriate solution.

Chimney repair services complement 4 Guys & A Roof's roofing expertise by addressing structural issues that can affect both roof integrity and home safety. Services include chimney crown restoration, flashing repair and replacement, brick and mortar restoration, and waterproofing applications. The integration of chimney and roofing repairs ensures that water infiltration problems are addressed comprehensively rather than treating symptoms without resolving underlying causes.

Toledo area residents who have utilized 4 Guys & A Roof services have provided consistent feedback that reflects the company's service quality and professional approach. Karen Webber noted, "I was very impressed with the professional nature of your process and ultimately the job you did. Will use again in the future."

Another customer commented on 4 Guys & A Roof's attention to follow-up service: "My roof was done in one day very professional. Cris came back to inspect my roof the next day very satisfied thanks 4 Guys and a Roof."

The reliability factor resonates with homeowners who have concerns about contractor accountability. Alan

Prince stated, "Our biggest fear is hiring someone who disappears or goes out of business and suddenly is no longer valid. You put our fears to rest and we are happy with the work done."

Additional customer feedback reflects satisfaction with project outcomes and attention to detail. Bill K. commented, "Thanks for all you did to help us make a decision about the unforeseen damages. We are very pleased." Another homeowner noted, "Had our roof done and the crew did a great job. They were very efficient, hard working, courteous, and most importantly knowledgeable about the job. Would highly recommend them for your roofing needs."

4 Guys & A Roof's commitment to complete project execution includes attention to property maintenance during and after installation. One customer observed, "We had a roof replaced; 4 guys did everything as quoted and came back the very next day to clean some area on the house where shingles left some tar marks. Very satisfied."

The relocation to Toledo enables 4 Guys & A Roof to serve an expanded service territory that covers a significant portion of Northwest Ohio and southeastern Michigan. Service coverage extends into southeastern Michigan communities, including Monroe, Temperance, Lambertville, Erie, and Luna Pier.

The company continues to operate its Monclova location on Stitt Road, which serves western communities including Bowling Green, Delta, Grand Rapids, Haskins, Neapolis, Springfield Township, Spencer Township, Swanton, Tontogany, Waterville, and Whitehouse.

4 Guys & A Roof's 25-year history in Northwest Ohio reflects its established position within the regional roofing industry. The company has built its reputation through consistent service quality and adherence to industry standards throughout its 25-year operating history in Northwest Ohio.

The Owens Corning Platinum Preferred Contractor designation recognizes contractors who demonstrate superior installation practices, maintain proper licensing and insurance coverage, and achieve specified customer satisfaction levels. This certification requires ongoing compliance with manufacturer standards and periodic performance reviews.

4 Guys & A Roof maintains rigorous safety standards on all job sites, utilizing approved equipment and following established protocols that meet or exceed industry requirements. All technicians receive training in safety procedures and proper installation techniques to ensure consistent service delivery across all projects.

4 Guys & A Roof operates Monday through Friday from 8:00 AM to 6:00 PM and Saturday from 8:00 AM to 5:00 PM. The company is closed on Sundays. Customers can reach 4 Guys & A Roof at 419-343-8648 or visit the company website at 4guysandaroof.com.
