Residential Flooring Installers Expand Reach with New Outlet

August 30, 2025

TEMPE, AZ - August 30, 2025 -
Manufacturers Floor Covering Outlet is excited to announce its expansion plans, aiming to better meet the needs of its growing customer base. By opening a new location in Cave Creek, Arizona, the company hopes to bring its wide range of flooring products and services closer to more people. This will allow both residential and commercial clients easier access to their offerings.

Based in Tempe, Arizona, Manufacturers Floor Covering Outlet provides a broad selection of flooring options. Their inventory includes carpets, hardwood, laminate, tile, luxury vinyl, waterproof flooring, sheet vinyl, natural stone, glass tile, metal tile, solid surface, and area rugs. Besides flooring, they also offer countertops, kitchen and bath remodeling, shower installations, and patio solutions. Their services cater to both commercial and residential installations, and they even provide financing options and free in-home estimates to help customers make informed decisions. Customers can also experience the convenience of an online shopping platform, enabling them to browse products, order samples, and receive quotes right from their homes.

The new location in Cave Creek will serve as a key spot for floor covering in outlet Cave Creek, enhancing

convenience for local customers. Brandon Wendelschafer, the owner of Manufacturers Floor Covering Outlet, shared his excitement about the expansion plans. "Our goal is to make high-quality flooring more accessible to customers in Cave Creek and nearby areas," he said. "By expanding, we can better address the specific needs of our clients through our wide range of services."

This expansion is part of the company's promise to support residential remodeling and installation services, assisting homeowners in transforming their spaces. The skilled residential flooring installers in Tempe have made Manufacturers Floor Covering Outlet a reliable partner for both renovation and new construction projects. They also offer in-store shopping options for customers who wish to visit and get personalized assistance from their staff.

In line with their expansion, the company continues to prioritize their online and in-home services. Customers can browse and shop online, order samples, and get quotes without needing to leave home. For those who prefer to see products firsthand, the "Shop At Home" service brings samples right to their doors.

The Cave Creek location will broaden the company's reach in the flooring market. As an important site for floor covering in outlet Cave Creek, it aims to offer the same expertise and selection that customers have come to appreciate. Whether customers prefer traditional designs or modern styles, Manufacturers Floor Covering Outlet seeks to maintain its leadership in the industry.

The company's commercial services are another essential aspect of what they offer. They cater to office and retail environments, showcasing their proficiency in commercial flooring throughout Arizona. Their mission is to be a one-stop solution for both small residential projects and large commercial endeavors.

Brandon Wendelschafer emphasized the importance of these developments. "Our expansion is not just about getting bigger; it's about improving how we serve our customers. We are dedicated to providing top-notch flooring solutions for both homeowners and businesses," Wendelschafer noted.

Opening a facility for floor covering outlet in Cave Creek underscores Manufacturers Floor Covering Outlet's commitment to enhancing accessibility and focusing on customer needs. The company is determined to deliver excellent products and service. With these strategic moves, they plan to strengthen their presence in the Arizona market, ensuring that their customers have access to the flooring options and expertise they desire.

By continuously updating and increasing their services, Manufacturers Floor Covering Outlet is set to meet the varied needs of its customers and adjust to the evolving trends in the flooring industry. Potential

customers can explore their extensive catalog online and use visual tools to see how selections fit their specific room designs.
