STATEN ISLAND, NY - October 28, 2025 -
Buy Tical has revealed an addition to its lineup: the TICAL Black Honeycomb Storage Lock Box. This limited pre-sale item is designed to provide a secure way to store cannabis and related gear. The elaborate wooden humidor is currently available for pre-order, with shipping anticipated for Spring 2026.

This storage lock box offers a combination lock and key setup, ensuring the safety of its contents. TICAL highlights its ability to keep items fresh and neatly organized. Designed with both function and style in mind, it features a gold vegan-friendly leatherette lining and high-density foam for extra protection. Included are accessories like a gold bone holder and a honeycomb print rolling tray.

For collectors and enthusiasts, the company offers limited edition TICAL stickers, a unique TICAL pin, and a lanyard. Clifford Smith, Jr., also known as Method Man and a co-founder of TICAL, said, "This product brings together functionality and a touch of style, something we've always aimed for at TICAL."

TICAL offers limited-edition collections that focus on craftsmanship and individuality. Beyond the craftsmanship, the Black Honeycomb Storage Lock Box includes an autograph from Method Man himself, complete with a certificate of authenticity. Method Man added, "More than a storage solution, we blend form and function, focusing on quality workmanship."

Alongside this new offering, Buy Tical has a wide variety of products on their online store. They're well-known for their Hip Hop t shirts, with popular items like the Mblem T-Shirt and the Iron Lung T-Shirt. These shirts come in an array of styles and colors, appealing to different tastes. Carefully crafted, they attract those who want clothing that reflects Hip Hop culture.

Accessories such as the Method Man hat also draw significant attention. These limited edition items often use unique materials and designs. The New York Snapback Hat, for instance, features a 3D puff embroidered logo and a satin interior, alongside a stash pocket.

Joshua "Raz" Rassin, Co-founder and COO, stated, "With each product, TICAL not only offers something to wear or use but also strives to provide quality products. We consistently aim to blend creativity with practicality in our offerings, so our products are both innovative and purposeful."
