

Keathley Landscaping Expands as Premier Residential Yard Drainage Company

August 25, 2025

GARLAND, TX - August 25, 2025 -
Keathley Landscaping, a well-respected outdoor solutions provider since 2002, is expanding its drainage services in Rockwall, Texas. With extensive expertise in the local terrain, Keathley Landscaping now delivers advanced drainage solutions to help protect homes from potential water damage.

Good yard drainage is essential for home maintenance, but many homeowners overlook it until problems arise. Logan Keathley, the founder and an experienced drainage expert, leads his team to offer various solutions like French drains, grading adjustments, and custom-designed buried drainage pipelines. These services are important for preventing flooding and property damage, which are often not covered by standard homeowners insurance.

"At Keathley Landscaping, we understand how serious poor drainage can be for homes," said Logan Keathley. "Our team is committed to providing solutions that are tailored to the unique drainage problems in this area. As more people look for a 'drainage company near me in Rockwall Texas,' we are dedicated to

offering efficient solutions that last at prices that are competitive."

Homeowners in Rockwall and nearby areas, such as Garland, Wylie, and Plano, would benefit from these expanded services. The company has a strong history of quality work, ensuring dependable drainage solutions for both homes and businesses. Being an "NDS Certified Drainage Contractor" highlights Keathley Landscaping's expertise and dedication to quality service, which is crucial in an industry where experience matters.

Besides drainage, Keathley Landscaping is well-known for a variety of landscaping services. They offer landscape design and construction, lawn care and maintenance, and the installation of features like patios and decks. More information about these services can be found on their website. This well-rounded approach ensures outdoor spaces are both functional and attractive.

People in Rockwall won't need to look far for professional assistance. With their expanded services, Keathley Landscaping is a top contender for anyone searching for a "Rockwall drainage company." Their wide range of services and positive customer feedback reinforce their position as a reliable provider known for excellent customer service.

Keathley Landscaping's focus on customer satisfaction is clear in all their service areas. Their additional offerings in yard care, like mowing, fertilization, and hedge trimming, further enhance property appearances, making them a popular choice in the region.

A beautiful and functional yard requires careful attention and a commitment to quality, both of which are core values at Keathley Landscaping. Their expansion into more advanced drainage solutions underscores their ongoing effort to meet and surpass client expectations, giving peace of mind to property owners dealing with drainage issues.

"Recognizing the changing needs of today's homeowners, our team continually hones its skills to deliver effective and timely drainage solutions," Logan Keathley said. "When people search for 'drainage Rockwall TX,' we want them to feel confident that we can handle their issues with expertise and at a fair price."

For Rockwall homeowners and those beyond, Keathley Landscaping provides more than just a service; they deliver a promise of quality, reliability, and lasting results. Their expertise, combined with a customer-focused approach, ensures an effective solution to all yard and drainage challenges.

With extensive experience and a track record of excellence and customer satisfaction, Keathley Landscaping

continues to grow while remaining dedicated to solving complex yard problems and enhancing the beauty and function of outdoor spaces. Clients can trust that their homes are in good hands with Keathley Landscaping. More details about their extensive services and contact information are available at their website.
