The Canine Club Received a 5 Star Review on Google for Their Doggie Daycare Facility

August 25, 2025

Baltimore, MD - August 25, 2025 -
The Canine Club is proud to showcase a new 5-Star review they received on Google. The review, written by Cathy Strodel on August 14th, 2025, heaps praise on The Canine Club about the services her dog Junebug received.

Strodel says, "Our dog Junebug loves going to The Canine Club. She knows when she?s going and pulls on the leash to get in. She?s treated like a princess and comes home very tired. Sometimes we do overnights and she has never come home with an attitude. We?ve known Kendall and Tyler for so long through doggie day care and they are real dog lovers and advocates for the dogs. We feel like Junebug is in very good hands at Canine Club. Try this place, you?ll like it!"

The Canine Club's website offers a detailed overview of their comprehensive services, emphasizing their commitment to treating dogs like family while providing a safe, nurturing environment.
