Massey Rack Launches Newly Designed Website to Better Serve Warehouse and Storage Clients Across Texas

August 20, 2025

August 20, 2025 -
HOUSTON, TX ? Massey Rack, a trusted provider of new and used warehouse storage solutions, is proud to announce the launch of its newly redesigned website. The new site offers an improved online experience for customers seeking efficient and cost-effective racking systems, reflecting Massey Rack?s ongoing commitment to helping businesses maximize warehouse space while delivering top-quality products and exceptional customer service.

For more than 25 years, Massey Rack has been a go-to resource for warehouse managers, logistics companies, and business owners throughout Texas and the Gulf Coast. The company has built a reputation for providing reliable storage solutions designed to fit the needs of businesses of all sizes. From selective pallet racking and cantilever racks to pushback racks, wire decking, shelving systems, and custom warehouse layouts, Massey Rack delivers comprehensive options tailored to improve storage efficiency and safety.

The redesigned website makes it easier than ever for customers to explore Massey Rack?s wide inventory, learn about its installation and repair services, and request a quote. The site also highlights the company?s buyback and liquidation programs, allowing businesses to sell used equipment while upgrading their own facilities.

Massey Rack partnered with ASTOUNDZ, a Houston-based digital marketing and web development agency, to bring the new website to life. The collaboration resulted in a high-performance platform that combines modern design, mobile responsiveness, and search engine optimization.

?We wanted our website to reflect the professionalism and speed we bring to every project,? said Jeff

Masanow, Owner of Massey Rack. ?Now, customers can quickly find what they need ? whether they?re buying new pallet racks, selling used equipment, or scheduling an installation. The site gives us a stronger tool to connect with businesses that rely on safe, efficient warehouse solutions.?

The new website features a clean, modern look with intuitive navigation, ensuring that customers can easily access product details and service information from any device. Visitors can explore product categories, view specifications, and learn about how Massey Rack assists with layout design, permitting, installation, repair, and ongoing warehouse optimization.

Steve Winter, Founder of ASTOUNDZ, added: ?Our goal was to create a website that not only looks professional but also performs at the highest level. We applied our ?One Search, One Click, One Company? philosophy to streamline the browsing experience while focusing on speed, SEO, and mobile responsiveness. This allows Massey Rack to expand its reach and continue growing its presence as a trusted warehouse solutions provider.?

With full search engine optimization, the new platform ensures that businesses searching for racking systems, warehouse layouts, or liquidation services can easily discover Massey Rack online. The website is also designed to support ongoing updates, giving the company the flexibility to keep its product listings, service offerings, and industry insights fresh and relevant.
