Saint Augustine, Florida - August 27, 2025 -

Florida Coastal Contractors, LLC recently revamped its outdoor kitchen design and installation services, highlighting its role in transforming outdoor spaces. These services are well-known for boosting backyard aesthetics and functionality, crucial for their aim to create environments that are both functional and beautiful in St. Augustine, FL. A key part of their offerings is Outdoor Kitchen Design and Construction, providing a full range of services including custom kitchens and fireplaces.

Florida Coastal Contractors in St Augustine FL has made a name for itself as a top contractor focused on upgrading outdoor areas. With an eye for outdoor kitchen design and construction, they meet the growing demand for enhancing outdoor lifestyles. The company offers free consultations and estimates to make the process accessible and engaging, aiming to give clients confidence from the very start of their projects.

Jessica Shafer, spokesperson for Florida Coastal Contractors, LLC, shared her excitement about the relaunch, saying, "We're thrilled to reintroduce our outdoor kitchen services. Every home deserves a beautiful

and functional outdoor space, and our team is dedicated to making that vision a reality for every client." By concentrating on customer needs and offering high-quality craftsmanship, the company hopes to uphold its stellar reputation.

The company serves all of St. Johns County, including areas like Nocatee, Vilano Beach, Fruit Cove, Ponte Vedra, and Ponte Vedra Beach. Florida Coastal Contractors outdoor kitchen building services include designing and installing custom kitchens with appliances from top brands like Delta Heat and Twin Eagles. These top-notch appliances ensure that outdoor kitchens are not only attractive but also durable and practical.

Besides kitchen design and installation, Florida Coastal Contractors offers additional services to enhance outdoor settings. Island Breeze Luxury Pools are an excellent choice for those looking to make a significant transformation in their home's exterior. These include features like pergolas and paver patios, which add value and beauty to any property. Every project is meticulously planned so that the new additions blend seamlessly with the existing architecture and landscape.

Outdoor kitchens from Florida Coastal Contractors are built to withstand Florida's unique climate conditions. The materials and construction methods used are chosen specifically to resist local weather, ensuring lasting durability and easy maintenance. This resilience means clients can enjoy their custom outdoor spaces for many years.

Moreover, the company highlights the importance of a cohesive outdoor setting that caters to both entertainment and relaxation. By providing a range of services, Florida Coastal Contractors ensures that every outdoor element works well together, giving clients a comprehensive solution to their outdoor living desires.

Jessica Shafer added, "Our team's passion lies in transforming ordinary spaces into extraordinary experiences. Whether it's hosting, dining, or just spending time outdoors, we aim to create environments that enhance these moments." This commitment to client satisfaction is at the heart of the company's approach.

Florida Coastal Contractors takes pride in being a state-certified building and pool contractor. Being licensed, bonded, and insured, the company adheres to strict standards to guarantee the safety and satisfaction of clients. This dedication is evident in each project, from the first consultation to final completion.

The relaunch of their outdoor kitchen services marks an ongoing commitment to innovation and customer happiness. By incorporating client feedback and updating design practices, Florida Coastal Contractors in St Augustine keeps evolving, staying true to timeless designs while embracing modern trends.
