Auckland, New Zealand - SuperiorMaker is slowly making a name as one of the top vendors on the popular shopping portal Amazon.com. One of the company's flagship products has recently hit a milestone of receiving 150 reviews on Amazon.com, with the majority of the customer reviews being 4 stars or higher.

When a customer makes a purchase on the giant shopping portal Amazon, they are immediately contacted via email by Amazon on behalf of the vendor and are requested to leave unbiased review. This particular review system from Amazon is what makes Amazon the most popular shopping portal. The reviews help buyers with buying decisions on whether or not a product is a good fit for them.

There are two kinds of reviews set by Amazon.com: seller reviews and the product reviews. In spite of the fact that Amazon requests both sorts of reviews, buying trends are more often influenced by these reviews. With SuperiorMaker's recent launching of this new product, hitting its 150 reviews mark SuperiorMaker's pet lint roller is moving up fast.

?Great value compared to other lint rollers that are available. The sheets work pretty well at picking up lint and pet hair, but I did find I needed to use 2 sheets to finish a pair of pants, where I've only used 1 sheet of another brand. However, given the value, using the extra sheet still makes these more economical. The roll stays on the handle securely, yet it's easy to replace. The sheets tear off easily when you're ready for a fresh one. If you try these and truly aren't happy, they do offer a money-back guarantee, so you've got nothing to lose by giving these a try,? said a verified Amazon customer in a product review.

CJ, a verified Amazon customer also commended the pet lint rollers from SuperiorMaker are of great quality. ?These lint rollers work great. They are sticky enough to remove dog hair or lint easily. I like the perforated strips that are easy to remove once the roller needs to be refreshed. I am pleased with the quality and think it's a great deal for 5 rollers,? stated CJ in the product review.

?To reach such a milestone is such a joy for us as a company. We are now at 161 product reviews, and we are even more elated to know that a lot of the shoppers have been giving our pet lint rollers positive reviews,? said a representative from SuperiorMaker.

SuperiorMaker?s Pet Lint Rollers are now available on the shopping portal Amazon. Shoppers can order the Pet Lint Roller from SuperiorMaker and get two free home-care eBooks. Also each purchase is backed by a lifetime 100 percent money back guarantee.
