According to a representative from the company behind the product, "Our pet lint roller has a great design with large perforations at the end of each lint remover sheet to make removing used sheets even easier. Used refills are easily removed to be effortlessly replaced by your next SuperiorMaker refill. It is perfect for pet hair removal, such as dog or cat hair. Also ideal for furniture lint removal. Great for tackling lint, fuzz, dust, crumbs and other dirt on practically all clothes, furniture, furnishings and any household, car or office

surface.?

This particular Amazon customer said that the pet lint rollers from SuperiorMaker are the best lint rollers ever, in a 5-star review. ?I tested this lint roller out against my cheap dollar store one. This one is definitely better. The sheets take off more lint than the dollar store lint roller. It comes with 4 extra refills and it's easy to replace the roll. Just push down to get the handle to come off to replace the roll. The outer paper cover can be used to keep the lint roller from getting dirty. I really liked how it came with refills so i don't have to worry about running out for awhile. I have a furry Siamese cat she is always shedding hair. My mom also has 5 cats inside so I always get my clothes covered in cat hair so lint rollers are a must,? said the Amazon customer.

The pet lint roller contains 100 sheets and accompanies 4 extra refills, adding up to 500 sheets altogether for every buy. It has a plastic paper cover which permits people to cover the sticky roller surfaces when not being used.

The Pet Lint Roller from SuperiorMaker is available on Amazon and each purchase comes with two (2) free homecare eBooks. Each purchase is backed by 100 percent lifetime guarantee.
