Auckland, New Zealand - SuperiorMaker recently relaunched one of its much praised home-care product. Their improved pet lint roller is now available on Amazon.

SuperiorMaker's pet lint rollers has been a big hit since it's first release in Amazon's pet hair removal categories. The improved roller lint remover is shown to be very ideal for lifting pet hair from garments and upholstery. Still packed with 5 refills, each roll comes with 100 sticky sheets, ensuring that you get rid of every lint at all times. These improved pet lint rollers guarantees that you will not be running out of lint rollers anytime soon.

According to a representative from the company, "our improved pet lint roller sheets are sticky and can effectively pick up unwanted hair. They are perfect for pet hair such as dog hair or cat fur. Also ideal to remove dirt or crumbs on furniture. Great for tackling lint, fuzz, dust, crumbs and other dirt on practically all clothes, furniture, furnishings and any household, car or office surface.

These Pet Lint Roller has also been recognized as top new release product for categories: "lint roller for pet hair" "cat lint roller" and dog hair remover." On its first week of release.

Julie Conn, a verified Amazon customer in a 5-star review said, "These lint rollers are perfect. They arrived at my house in the time mentioned at checkout from Amazon and they were in perfect condition. It comes with 5 tape rollers and I know these will last a long time. I gave my husband one and I have one for home and office. This way I can use them whenever needed to get lint or cat hair off my coat or clothes. I am amazed at how well they take off everything from my clothes. My clothes look brand new now! I would recommend this product to everyone."

The improved pet lint rollers from SuperiorMaker are available exclusively on popular shopping portal Amazon. Shoppers who make a purchase will receive two free eBooks. SuperiorMaker also backs each purchase with a no hassle 100 percent lifetime guarantee.
