

Keathley Landscaping Expands with Custom Cedar Fence and Yard Drainage Services

September 04, 2025

GARLAND, TX - September 04, 2025 -
Keathley Landscaping, a well-established company in the landscaping industry, is expanding its services to include cedar fencing installation and comprehensive yard drainage solutions for residents of Rockwall, Texas. Founded in 2002 and based in Dallas, Keathley Landscaping aims to extend its expertise to homeowners in Rockwall who are looking for professional solutions for their landscape projects.

Known for its wide range of high-quality services, Keathley Landscaping pays particular attention to landscape drainage services. Effective yard drainage is incredibly important in keeping outdoor spaces both beautiful and structurally sound. As an NDS Certified Drainage Contractor, Logan Keathley, the founder, has a wealth of experience in developing solutions like French drains and carefully planned buried drainage systems. These services help protect homes from water damage.

"Our move into Rockwall is an exciting opportunity for us," said Logan Keathley, CEO of Keathley Landscaping. "We're dedicated to bringing our Rockwall clients the same quality and commitment we offer

our Dallas customers. The introduction of cedar fencing and drainage services is crafted to cater to the specific needs of this lively community."

Cedar stands out as the material of choice for the company's fencing, thanks to its appealing look and durability. As one of the recognized cedar fence companies, Keathley Landscaping uses cedar to build fences that not only improve the appeal of properties but also ensure longevity with low upkeep. Cedar's natural resistance to decay and pests makes it an ideal choice for homeowners who want elegant boundaries for their property, whether in classic or modern designs.

Besides expanding its fencing options, Keathley Landscaping continues to provide custom stonework by Keathley. This includes options in both natural and modern styles, offering clients a wide array of choices to enhance both the look and usability of their outdoor areas. By working with materials such as flagstone and modern pavers, Keathley Landscaping creates elements like retaining walls, veneers, patio covers, outdoor kitchens, and fire pits, all tailored to match the unique tastes of their clients.

Logan Keathley explains, "Our goal is to help homeowners achieve their vision for their yards. With our dedicated team and full range of services, we provide solutions that boost both function and beauty. We're excited to bring these offerings to Rockwall and look forward to building long-lasting relationships with new clients."

As they establish themselves in Rockwall, the company continues to uphold the principles of quality, reliability, and affordability. From landscape design and patio installation to deck building and lawn maintenance, they offer a variety of services to meet diverse landscaping needs.

With a strong emphasis on landscape drainage services, cedar fencing, and custom stonework, the company is ready to make a positive impact in the community. Even as they broaden their reach, Keathley Landscaping remains committed to client satisfaction, ensuring that every project is carried out with precision and care. For more detailed information on Keathley Landscaping's services, including landscape design, patio constructions, and custom woodwork, browse their website.

To learn more about Keathley Landscaping's services in Rockwall, Texas, residents should reach out to the company directly. By offering personalized consultations, they strive to provide customized solutions that enhance the beauty and usefulness of any property, proving their commitment to surpassing client expectations and setting higher standards for outdoor living areas.
