LEXINGTON, KY - September 10, 2025 -
Champion Movers recently completed a large local church relocation in Lexington, KY, satisfying customers involved. Champion Movers offers a wide range of services, catering to both residential and commercial needs. This recent move required moving over 200 upholstered chairs and various sensitive electronic devices to a different county.

The moving company's range of services includes managing local and long-distance relocations, handling office shifts, and moving heavy items like pianos and gun safes. They also offer specialized services to assist senior citizens.

Chris's review of Champion Mover's recent move of the local church highlighted the company's dedication to making moving as smooth and stress-free as possible. He was impressed with the movers' efficiency and skills in wrapping and securing the church's fragile items properly before loading them up.
