

Paydayz Staffing Showcases New Job Listings In Multiple Fields

March 21, 2016

March 21, 2016 - PRESSADVANTAGE -

Paydayz Staffing, occupying an office space in JGM Properties' Corporate One multi-use office/warehouse complex, offers a huge line of new job offers.

Paydayz Staffing has long-standing relationships across multiple industries with a brand name built on quality and customer service. Paydayz Staffing has built a strong reputation through their commitment to recruiting top candidates and post placement services.

"We know that quality employees are a necessity for long-run success, our philosophy is simple. We want to hire the best talent internally to deliver the best customer service to our clients at a competitive price. We focus on being innovative and providing real solutions to our clients," says Roy Abrego, of Paydayz Staffing.

Paydayz not only provides staffing; they offer a business model with transparent relationships, precise solutions, and a firm belief that their clients deserve the best.

Paydayz offers direct, contract to hire, and long term contract services, provide entry level to professional placement, 24/7 support and knowledge of multiple industries. They individually customize their staffing and employee fulfillment solutions to each client, creating flexible and unparalleled customer service.

The experienced recruiters at Paydayz are ethical, knowledgeable and motivated to help people find an opportunity that matches for their individual needs. They provide regular contact throughout the process and always keep communication open. Paydayz will do everything possible to ensure that their clients are placed into a position for which they are well suited and able to enjoy a successful employment experience.

Using Paydayz Staffing Services allows business to reduce overall staffing costs and lower unemployment costs. This also allows minimal risk and liability exposure because of reduced recruitment cycles.

"We work hard to make sure both clients and employees are satisfied with their placement. We want our

employees to shine and our clients to be satisfied. Innovation, Flexibility, Expertise, Ambition and a good sense of humor keep us at the top of our game," says Abrego.

Whether it involves an individual seeking a new job, or an employer looking for staffing solutions, PayDayz Staffing is ready to meet the needs of their clients.

JGM Properties owns and manages Corporate One office warehouse building in Bloomington, as well as 23 other suburban St Paul and Minneapolis warehouse, medical, retail, and office space properties.
