Waxing by Celeste, a wax salon in El Cajon, CA, is proud to announce that they are celebrating their second anniversary. In the past two years, the business has built up a reputation as being one of the best Brazilian wax and sugaring specialists in the area, with many people from all over San Diego making appointments. The salon wants to thank their loyal customers for their support over the past two years.

Celeste Andrade, founder and owner of Waxing by Celeste, says: "It has been 2 amazing years since I decided to open up my own waxing spa and I want to thank all those wonderful people who gave me the opportunity to show them my services, techniques and my wax. Without them I could not be where I am today. The feedback I get from my clients is what keeps me motivated and gives me the energy to continue moving forward."

As soon as the business opened, it immediately started to attract a large number of clientele. Celeste's gentle nature and friendly demeanor seemed to have won people over, because they returned to her again and again. Naturally, the fact that she seems to be very good at what she does also helped. Additionally, people enjoy her website, which is available at <http://waxingbyceleste.com>.

Those who have visited Celeste have been very positive about the work that she has done. "I have been going to Celeste I believe going on two years now," says Sheena M. "I was at first hesitant to getting back into getting waxed after my first experience. After reading Celeste's amazing reviews, and how close and easy her location was to get to, I decided to give it a chance. Best decision I have ever made because now I am a regular happy customer. Celeste makes me feel warm and welcome and comfortable it's like going to see a friend and I appreciate that so much! I'm always happy 100% worth it."

Waxing by Celeste offers full body waxing for women. They also offer some waxing services for men. Celeste is best known for making her own sugar wax, which greatly helps to reduce the pain when waxing. People are encouraged to click here for more information.
